-WILL OPPOSE BIG CIVIC GRANT TO BI-CENTENNIAL CELEBRATION

Boys' Executive-Increase in

The joint meeting of the executive of the London Old Boys' Association, and the semi-centennial celebration committee of the city council, was rather slimly attended in the city hall Old Boys' Associations in existence. last night, but despite the rather small number present, a starter was given the preparations for the big joint gathering to take place in London in August next. There were present President McCann man), Ald. Matthews, Wyatt, Forristal, Judd, Messrs. R. A. Carrothers, Marvin Knowlton and Harry Merritt. Mr. Marvin Knowlton, a former Lonon lumber merchant, but who has been for some years located in Willimantic. Conn., is one of the real old boys, and before the meeting opened he and Police Magistrate Love had a very sociable time recalling the old days, especially when Mr. Love was a

Rock. The meeting developed one important fact, and that is that at least a portion of this year's council are set against making any large civic grant to the celebration, on the ground that the city has no money for the purpose and that the tax rate is now too high President McCann, of the Old Boys, who took the chair, explained that as the executive of the association was not called upon to meet till April next he deemed it wise to call a meeting at once in order that the Old Boys and the committee of the city council appointed to look after the semi-centennial celebration might work together, and might make a joint application to the railway companies for a low rate to London in August. Owing to the fact that the ticket agents meet in January next it is absolutely necessary that the committees should get to work at once. He suggested in conclusion that the Old Boys' Associations in other places be informed that
