# HAS HELPED TRADE

Commercial Agencies Make Re- If Joint Municipal Building Is To Canada.

Tone.

R. G. Dun & Co.'s report says of London trade: The continued cold weathough, taken all in all, general busifair. So far there is no evidence of if it were decided to move the offices a boom in that line, and the feeling to another locality and dispose of the is not to lay in too large stocks. Commercial paper is being well met.

Bradstreet's Trade Review says: London Trade London reports say a steady tone is reported to general trade. shipments will be large. Retail trade has a good tone. Collections are generally satisfactory. All factories here are busy and orders on hand are large. Values are generally steady to firm.

In Montreal. Montreal reports to Bradstreet's say he general situation there has seen ittle change during the past week. there is a general clearing up of winer lines of drygoods and spring goods are now being shown. A fair number sorting orders are still coming in. Wholesalers are mostly busy sending out spring goods and the demand for cottons, prints, etc., continues very active. Preparations are under way for the millinery openings, which will take place at the end of the month. Values on all lines of drygoods hold firm and higher prices are looked for on fall lines of woollens and underwear. The hardware trade is fairly The demand for metals is active and prices are steady to firm. The demand for builders' supplies coninues seasonably quiet, although a neavy trade in these lines is expected later on. A normal trade is reported in groceries. Sugar is firm and the emand for canned goods is heavy Fish and other Lenten foods are also active. Country trade is moderate. Collections are no better than fair and from some districts they are slow. Re-

ceipts of produce are fairly large, but prices hold steady.

Toronto. Toronto reports to Bradstreet's say a good steady tone is noted to all lines of trade there. The sorting business in drygoods has kept up to a considerable extent and large shipments of spring lines are being rushed orward. The outlook continues to favor an excellent trade in all lines. Local factories of all kinds of clothing are exceedingly busy, and there is a large demand for operatives. Drygoods prices continue to show firm
goods prices c ess, and as yet quotations on fall lines have not been announced. Groers report a good demand for staple the uses to which it was to be put. lines, although business is not as heavy as it was early in January. Sugars are firm at the recent advance Hardware is reported active and there is already some demand for general builders' supplies. Metals are firm ing a big factor in this respect. kinds of products are coming in well, but prices are generally firm. Trade in hogs and their products is light on account of high prices. Hides are quiet and steady to easy. A fair de-

mand for leather is reported. The West. Winnipeg reports says a brisk trade is noted in all lines of business there. During last week great numbers of merchants were in the city attending merchants were in the city attending the city council would pay the other balf. Superintendent of Grounds Ias kept busy receiving the callers. In most cases good orders were left behind. More seasonable weather has proper repair, and if the city would startle the entire country. I should not of the Presbyterian Church, and also startle the entire country. I should not of the United Workmen's Lodge. The Mr. Roderick D. Dundonald, of Glen more active. Large spring shipments Levan, Scotland, will speak in the being delivered and the outlook was laid over. Some of the members there are men in the northeast who ceased leaves daughters. and the sorting-up trade has been furnish the rest.

Collections are generally fair. Vancouver and Victoria reports say trade is opening out nicely and the indications are that spring business will show a very considerable increase over that of last year. The demand for groceries is active and large orders for lumber camp supplies are being placed for early shipment. This has also been a factor in the hardware trade and the demand for builders' supplies and general lines is brisk. Collections are fair

to good. Lower Provinces. With favorable weather conditions the outlook for spring trade is encourag-

ing. City retail trade is fairly satisployed. Hamilton reports to Bradstreet's say excellent. Seasonable keeping up a fairly good movement in Pills effected in my case. retail lines and it is reported that "I suffered untold misery even when general stocks of winter goods are be-under treatment from the best doc-

# COUNTY CANNOT

Be Erected City Must Go to County.

BUILDINGPROSPECTSGOOD NEW LIGHT ON SUBJECT

Large Shipments of Spring Goods— Some Interesting History of the Courthouse and Jail-City Hall Is Valued With Land at

The question of a new heating systher has helped the sorting trade tem for the courthouse and jail, at a somewhat, and a certain amount of cost of \$7,000, once again brings to th neavy goods are being disposed of at fore the much-mooted question of the reduced prices. The millinery opening advisability of erecting a new courts looked upon as the harbinger of house, and more especially of city and spring, and with more genial weather county uniting in the erection of joint business is expected to brighten up, city and county municipal buildings. though, taken all in all, general business up to the present has been equal and land, are assessed at the sum of to or above the average. Prospects in \$100,000, which would be a very satisthe building trade are regarded as factory little nest-egg to begin with, present site.

If there was any thought of joint county and city buildings it would be absolutely necessary for the city buildings to be moved, as the present site Spring of the county buildings was granted goods are going out and it is evident to the county, for the location of buildings by the donors county of the land some time before the year 1827, and a failure to use it for that purpose would render it liable to reversion to the estate of the heirs, or to the crown. As the site, if it could be split up into building lots, would be valued at something less than the city property, there is little likelihood that the county would consider any project that would jeopardize the valuable as-

There has been a good deal of discussion as to whether it would bee breaking the terms of the grant to erect joint buildings on that site, but as the city was part of the county to which the land was deeded at the time the deed was drawn, and indeed until 1840, there is very little doubt that the could be done

The question of a new court house and city hall has been left in abeyance, but the expenses of remodelling the two present building the two presents are the present the present the present the present two presents are the present the pres ent buildings, as they will have to b remodelled in the not very distant future will undoubtedly again bring the matter to the fore, and there is every prospect that the city and county may ultimately have joint buildings.

This would seem the rational thing to do, as by holding the two sites the city and county are tying up an otherwise available capital of approximately \$100,-

000. And the county must perforce use their site, nor can they even sublet any part of it for other purposes.

About Middlesex. At its first colonization, Middlesex was part of what was known as the Western District, with its headquarters at Vit-toria, in Norfolk County; and in 1827 London was made the headquarters of the don was made the headquarters of the district, and a frame jail was erected on the present site, which had shortly before been deeded to the municipality.

This was soon superseded by a brick structure, part of which is incorporated in the present jail.

It was in 1879 that the court house was reconstructed and enlarged to its present size, and save for minor improvements has remained practically unchanged.
