CITIZENS' DAY AT THE FAIR.

AN IMMENSE THROG ENJOY A BEAUTIFUL AFTERNOON.

Opening of the Dog Show-Good Racing in the Ring-Fruit Growers at Luncheon-General Notes of the Exhibition-Many Displays Which are Well Worth Inspection.

Citizens' Day was a big success. The man who runs the weather supply from the turntable in Queen's Park overleapt himself and allowed the morning to commence to rain. But when he awoke to the sense of what the day was, he immediately set to work and by noon had dried up the weeping fountains of the skies.

Even while the rain was coming straight down the street cars were crowded. When the sunshine gave promise of a pleasant afternoon, they became patient in a steady stream the people poured on to the grounds.

They kept coming until the grounds were light-seeing a work more of labor than pleasure. The Main Building, the Music Pavilion-every place was crowded. Nearly 8000 people were present.

Yesterday's luncheon was to the fruit-growers. The attendance was not large, and the pretty girls who were on the stand had not very much to do. Many of the exhibitors in the fruit section have not yet arrived and this accounts for the slim representation.

After the regular toast of the Queen of the Fair, there were a few short speeches. I. Davidson, manager of the Southern Exposition of Montgomery, Ga., was the first speaker. He extended a cordial greeting to the north to visit his Southern home.

George Foster of Ontario and J. Richardson, St. Catharines, also spoke on behalf of the fruit-growers. Mr. W. Elliott and President Withrow spoke for the directors.

The Display of Dogs. A chorus of canine howls proclaimed to the worldly-wise that the dog show was open. The judging is not so large as last year, but the judging of the greyhounds seemed to attract considerable attention.

to show what a good horse she is. In both heats she led from start to finish, although King Bob gave her a pretty stiff argument all the way down the stretch in the second mile.

The second stake was rather easy for Colonel, who beat out Blue Wing rather handily. Meg Dymond closed in the stretch, but could not get the place.

Seven came to the post for the hurdle race. Colonel was the first away and showed the way over the first jump with Flip Flap well up. Burr Oak was third and the rest bunched. The leaders raced at the hurdles at a pace that spread, and the field was wide.

For a mile the old Queen's Plate winner kept the lead, then Flip Flap won on him. Over the last jump it was Flip Flap by half a length. Colonel was second, then a length away. Idaho moved up on the run, but could not get within striking distance of the leader. Flip Flap won rather easily and the field romped in straight away to the result.
