Canadian Boys for service on the sea. Canada's future is bound up in its export trade and depends much upon Merchant Marine. It is vitally necessary that the Dominion should provide qualified sailors. The Navy League of Canada is giving the younger generation of Canadians the opportunity for free training in seamanship, and business men are agreed that the value of this work cannot be over estimated. The success of the Boy's Naval Brigades hangs on the generosity of public support. It is important to every Canadian that this movement should not be handicapped by lack of funds. Public spirited citizens are called upon for a generous response to the Navy League appeal through the Nelson Day Campaign. The local campaign will open in a few days and the local Navy League canvassers will call on you. In addition to the demands of the Naval Brigades the Navy League has to finance its Sailors homes and Institutes in Canadian ports. All the money raised through the Nelson Day Campaign will be spent in Canada. HALF the troubles and miseries in this life would be smoothed away if we would put ourselves in other people's places and try to see things from their point of view. It is the great blank wall of self that hinders us.

Canadians!
*This is a call to National Service—
The Victory Loan 1919
which opens to-day.*

YOU are citizens of no mean country.
Canada is a fair, free land.
Canada is your country.
Canada—now—has need to borrow from you—Lend:
Lend without restraint of politics or fine distinctions of creed or party.
The leaders of the political parties endorse the Loan.
It is CANADA that asks:
And why—
To clean up the last of the War's commitments and expenses;
To establish beyond all question the capacity and credit of your country;
To care for the wounded and maimed soldier;
To finance the bonus of the returned soldier already paid;
To enable the fruits of Victory to be garnered;
To ensure the prosperity of you, her citizens.
The guns of war are silent—but they are not yet cool.
The Victory Loan 1919 is a War Loan.
Canada's book of war is gloriously written—make this, the closing chapter, a worthy one. The responsibility is yours. **LEND!**
