

and seek the counsels of any reputable dentist resident in a foreign country.

The meeting of the Foreign Relations Committee will be held at Niagara, commencing on the morning of July 26th. The assembling of the parent body, the National Association of Dental Faculties, will doubtless be called for July 28th, while the National Dental Association, the meeting of the representative men of the profession at large, will convene August 1st. It is desired that foreign representatives in as great numbers as possible will be at Niagara for all these meetings, for while the sessions of the college men have not heretofore been open to strangers, ample opportunity will be given for expression of the views of, and consultations with, our foreign brethren, and it is within their power to confer lasting benefits upon their profession by making their American confreres fully acquainted with the status of professional affairs abroad.

Respectfully submitted,

W. C. BARRETT,	} <i>Committee</i> <i>on</i> <i>Foreign Relations.</i>
