Scientific and Useful.

CURE FOR CORNS OR BUNIONS.—Take a piece of raw be-f, put it into vinegar, let it stand for three days. Put it on the corn. It will eat it so you can pull the roots out.

ONE must have a clear fire to broil a chop or steak, and by first strewing a little salt on the flames and then adding a very little charcoal you have a clear fire at once.

CORNERD beef, if not too salt, should be placed in boiling water when put on to cook, and when it is done it should remain in the water until cold. This is the secret of having cornerd beef juicy and well flavoured.

A SUCCESSFUL RESULT.—Mr. Frank Hendry, writing from Seaforth, says: "I purchased one bottle of Burdock Blood Bitters to purify my blood. It did purify it, and now I have excellent health." As a blood-purifying tonic and system regulator the result of taking B.B.B. is always successful.

SCOTCH SWEET BREAD.—Half a pound of butter and a quarter of a pound of sugar mixed to a cream; add one pound of sifted flour, knead and roll it half an inch thick. Bake slowly. If the cake is preferred very sweet use six ounces of sugar.

DANISH POTATOES.—Cut two or three slices of salt pork in half-inch squares. Fry until a crisp brown. Add one quart of cold potatoes, chopped not too fine, and two raw chopped onions and a little pepper. Stir well, and when thoroughly hot serve.

"CUTS."—The best thing we know of to heal a cut or wound is to bind up the injured part with a cloth saturated in Perry Davis' Pain-Killer.

THE drain of the kitchen sink must never be neglected. Dissolve a few cents' worth of copperas in a pailful of hot water, and pour a little of this liquid into the drain-pipe daily, and it will be freed from its noxious odours. The grease from dish-water often clogs the pipe.

SANDWICHES.—In making sandwiches, chop ham very fine, season well, and place between two slices of nicely-buttered bread. Then, with a sharp knife, cut off the crusts, and cut diagonally across the rest, making two little three-cornered sandwiches. These are very dainty looking.

A VALUABLE FEATURE.—One of the most valuable features of Hagar's Yellow Oil is that, unlike ordinary liniments, it can be safely and effectually taken internally as well as applied in cases of pains, inflammation, sore throat, rheumatism and all painful complaints and injuries.

TUTTI FRUTTI.—One quart of rich cream, one and one-half ounce of sweet almonds, chopped fine; one-half pound of white sugar; freeze and when sufficiently congealed add one-half pound of preserved fruits, with a few white raisins chopped, and finely-sliced citron. Cut the fruit small, and mix well with the cream. Freeze like ice cream. Keep on the ice until required.

ORANGE PUDDING.—Take the yolks of three eggs, one tablespoonful of corn flour, one breakfast-cupful of pounded white sugar, one pint of milk, make into a custard by first allowing it to come to the boil to thicken; peel and slice five oranges, and put the slices into a pudding-dish, with sugar sprinkled over each layer. When the custard is done pour on quite hot over the oranges; make a whip of the whites of the eggs and two tablespoonfuls of sugar and place on the top.

FORTY YEARS' EXPERIENCE have tested the virtues of *Dr. Wistar's Balsam of Wild Cherry*, and it is now generally acknowledged to be the best remedy extant for pulmonary and lung diseases; embracing the whole range from a slight cold to a settled consumption. Were it not for its merits, it would long since have "died, and made no sign."

BREAD JELLY.—Bread jelly is a simple delicacy which comes under the head of cookery for invalids, and is thus prepared: Take a French roll, cut it into thin slices and toast them on both sides to a golden brown; then put them into a saucepan with a quart of water (spring water, if it can be had), and simmer over the fire until they become a sort of a jelly. To tell when this stage is reached, take up a little in a spoon and allow to cool. When done strain it through a thin cloth, and flavour it with a little lemon juice and sugar. A little sherry may be added if liked.

PROSPECTUS

OF THE

TORONTO & LORNE PARK

SUMMER RESORT COMPANY, (LIMITED.)

Capital, - \$50,000,

IN 2,500 SHARES OF \$20 EACH.

No Subscription for Stock will be considered binding, and no call will be made until \$20,000 is subscribed, when 20 per cent. will be payable.

OBJECT.

This Company is to be formed for the purpose of acquiring the property known as Lorne Park, and making it a first-class summer resort.

The property consists of 75 acres of elevated woodland, and commands a splendid view of Lake Ontario. It is 14 miles from Toronto and 26 from Hamilton; it is equally accessible by rail or water, and is one of the healthiest places in Ontario. The G.T.R. track runs within 300 yards of the Park gate, and there is a substantial wharf on the lake front of the grounds. There is also a hotel on the premises, with 12 good bedrooms, large dining, ice cream and lunch rooms, kitchen and servant's apartments, bowling alley, ice-house, etc.; two open-air pavilions for the accommodation of picnic and other gatherings.

It is proposed to fit up the Hotel for the accommodation of summer boarders, and run it on the European plan, so that persons occupying cottages or tents on the grounds need not have the trouble of cooking their own meals, but pay for what they get.

NO INTOXICATING LIQUOR of any kind will be allowed to be sold on the Property, or on the Steamboats plying between the Park and the City.

Power will be asked for in the charter to own, or charter, and run one or more first-class steamboats, which will run to and from Toronto at regular hours daily through the season (Sundays excepted).

A morning and evening train service will also be arranged.

SHAREHOLDERS WILL BE ENTITLED TO TICKETS for themselves on the Steamer plying to the Park, at a reduction of thirty per cent. on the regular fares.

It is proposed to lay out 150 building lots of say 50x100 ft., which will be leased for a term of 99 years, with proper regulations as to style of building and occupancy. These lots to be put up at \$100 each; shareholders to have choice in order of their subscription.

Subscribers to the extent of \$500 of stock will be entitled to a building lot free. Arrangements have been made for a supply of tents of all sizes, which will be supplied at cost, or rented at low rates to parties requiring them.

A proper system of water supply, drainage and lighting will be arranged for, and everything done in order to make this charming spot the most attractive of any picnic ground or summer resort in the vicinity of Toronto.

The stock book is now open, and plans of the grounds can be seen at my office,
