Inventor, Patentee and Manufacturer,

W. P. KIDDER,

115 Congress street, Boston, Mass.

There being over thirty of the Quarto size Self-feeding Presses already in use in many of the largest and best known offices, the reader will confer a kindly favor by writing to the Inventor for References and Testimonials, by the aid of which he can easily investigate for himself the truth of the claims made for this machine. That it has, already, so far as introduced, established and guaranteed a sweeping re-adjustment in the whole plan of job press work, is not doubted by any competent judge who has examined the subject.
