Physicians and Surgeons

when treating diseases in which Neuralgia, Pyrexia or Hyperpyrexia, is at-
tended by WEAK HEART ACTION will find that no Analgesic or Antipy-
retic equals

Antitoxine

(STRENGTHENS THE HEART'S ACTION.)

An Antipyretic, Analgesic, Antineuralgic and Antitoxic, which, while pow-
erful in the relief of pain and reduction of elevated temperature, is perfectly
safe in every case, as it *strengthens the heart's action*. For sale by all Lead-
ing Wholesale Druggists. This remedy is manufactured and owned exclu-
sively by THE BRITISH ANTITOXINE MFG. CO. of London, England. Free
samples will be sent to all doctors and druggists who apply to the importers.
Imported into Canada solely by

For dispensing only.

LYMAN, KNOX & CO., Montreal.
