4 KENT ST., Halifax, 14th May, 1881.

To Holman Pad Co., Halifax:

GENTLEMEN,—I suffered with a cough for years, upon which no other remedies seemed to have the slightest effect, and which so reduced me that I thought nothing could save me. As a "forlorn hope," I was induced to try the Holman Pad Remedies. Your treatment has made an entirely new man of me. My cough has entirely disappeared; Rheumatism nearly all gone, and I am gaining flesh rapidly. I hear of numbers who are praising your remedies, and I also confidently recommend them, even where everything else has failed.

Yours, very truly, JOHN LITTLE.

The Great Southern PIANO House!!

WM. KNABE & CO. Of Baltimore & 5th Avenue, New York, THE OLDEST PIANO MANUFACTURERS IN AMERICA.

This firm has one of the finest and largest factories in the world, five stories, covering about 2 1/2 acres. For nearly half a century the name has been a guarantee to those looking for the VERY BEST PIANO that could be produced. They have unostentatiously won their great reputation by solid merit alone. During their history hundreds of firms in their line have had a puffed up, mushroom existence, and passed away, while they have steadily gone on, until now they enjoy a reputation not surpassed, if equalled, in the world.

Owing to the large demand for these Pianos in the States and Canada, and even in Europe, combined with the high price they command, they have never been offered to the people in Nova Scotia, but being

Determined to be First in our Line,

We have the pleasure to announce that we have secured the Sole Agency for these NOBLE Instruments, and now with our varied stock can please the ARTIST, the WEALTHY, the REFINED, and EVERYBODY ELSE.

DON'T FAIL TO SEE THE "KNABE," or send for illustrated catalogue, with certificates from the great artists.
