Dr. C. H. Fowler, Editor of The Christian Advocate, says: "In preference to any Piano made, we bought and use the Bradbury in my family. We all vote solid that it has no equal in workmanship, sweet tone, and every thing desired. May you always win!"

The peculiar charm of this Piano is its adaptation to the human voice as an accompaniment, owing to its sympathetic, mellow, yet rich and powerful singing tones.

From personal acquaintance with this firm, we can endorse them as worthy of the fullest confidence of the public. We are using the Bradbury Pianos in our families, and they give entire satisfaction.
