infidelity, by voting, by an overwhelming majority, in favor of allowing infidels, to testify in Courts of law which they have hitherto been prohibited from doing; and her people, in multitudes, have determined to have a new Bible, an anti-slavery Bible, or no Bible at all; and an anti-slavery God, or no God

Perhaps there never was a greater scoundrel in England than George the Fourth. To his other evil qualities he added a perfect disregard of truth During his connexion with Mrs. Fitzherbert, Charles James Fox dined with him one day in that lady's company. After dinner, Mrs. Fitzherbert said, "Hythe bye, Mr. Fox; I had almost forgotten to ask you, what you did say about me in the House of Commons the other night? The newspapers misrepresent so very strangely, that one cannot depend upon them. You were made to say, that the Prince authorized you to deny his marriage with me!" The Prince made certain grimaces at Fox, and immediately said, "Upon my honour, my dear, I never authorized him to deny it." "Upon my honour sir, you did," said Fox, rising from the table; "I had always thought your father was the greatest liar in England, but now I see that you are." Fox would not associate with the prince for some years, until one day that he walked in, unannounced, and found Fox at dinner. Fox rose as the Prince entered, and said that he had but one course consistent with his hospitable duty as an English gentleman, and that was to admit him.

#### DR. M'LANE'S VERMIFUGE.

PERPARED BY FLEMING DROS. OF PITTSRURGH.

During a practice of more than twenty years. Dr. MLane had attended innumerable patients afflicted with every form of worm disease, and was induced to apply all the energies of his mind to the discovery of a vermifuge, or worm destroyer, certain in its effects; the result of his labors is the American Worm Specific, now before the public, prepared by Fleming Bros. of Pittsburgh, which is perfectly safe, and may be given alike to children of the most tender age, or to the aged adult; it purges mildly and subdues fever, and destroys worms with invariable success. It is easy of administration, and as it does not contain mercury in any form whatever, no restrictions are necessity with regard to drinking cold water, nor is it capable of doing the least injury to the tenderest infant. An incredible number of worms have been expelled by this great vermifuge.

13 Purchasers will be careful to ask for Dr. M-LANE'S CELEBRATED VERMIFUGE, manufac-tured by FLEMING BROS. of Plattsburgh, Pa. All other Vermifuges in comparison are worthless. Dr. M'Lanes genuiné Vermifuge, also his celebrated Liver Pills can now be had at all respectable drug stores. None genuine without the signature of [7] FLEMING BROS.

. NOTICES OF THE PRESS.

"Griffins Works .- They are interspersed with scenes of the deepest pathos, and the most genuine bumor—at one moment we are convulsed with laughter, at the next affected to tears. We heartily recommend Gerald Griffins Works to the attention of the American public, and predict for them an im-mense popularity."—Sunday Despatch.

"We welcome this new and complete edition of the works of Gerald Griffin, now in the course of \$1 26 publication by the Messrs. Sadlier & Co. We read

the Collegions, when it was first published, with a pleasure we have never-forgotten, and which we have found increased at every repeated perusal. Ireland has produced many geniuses, but rarely one, upon the whole superior to Gerald Griffin."—Brownson's Review.

"Whoever wishes to read one of the most passionate and pathetic novels in English literature will take with him, during the summer vacation. The Collegians, by Gerald Griffin. The picture of Irish character and manners a half a century since in The Collegians, is masterly, and the power with which the fond, impetuous, passionate, thoroughly Celtic nature of Hardress Gregan is drawn, evinces rare genius.
Griffin died young, but this one story, if nothing else of his, will surely live among the very best novels of the time. It is full of incident, and an absorbing interest allures the reader to the end, and leaves him with a melted heart and moistened eye."

-Putnam's Monthly.
"We have now before us four volumes, the commencement of a complete edition of Gerald Griffin's works, embracing the 'Collegians' and the first series of his 'Munster Tales.' The nationality of these tales, and the genius of the author in depicting the mingled levity and pathos of Irish character, have rendered them exceedingly popular. The style in which the series is produced is highly creditable to the enterprise of the American publishers, and we are free to say that the volumes are worthy of being placed in our libraries, public or private, alongside of Irving, Cooper, or Scott."—Hunt's Merchant's Magazine.

INSTITUTE FOR YOUNG LADIES,

UNDER THE DIRECTION OF LADIES OF THE SACRED HEART. LONDON, C. W.

THIS Institution, situated in a healthy and agreeable location, and favored by the patronage of His Lordship the Bishop of London, will be opened on the first Monday of September, 1857.

In its plan of Literary and Scientific Studies, it will combine every advantage that can be derived from an intelligent and conscientions instruction in the various branches of learning becoming their sex. l'acility wil be offered for the acquisition of those Ornamental Arts and Sciences, which are considered requisite in a finished education; while propriety of Deportment, Politeness, Personal Neatness, and the principles of Morality will form subjects of particular assiduity. The Health of the Pupils will also be an object of peculiar vigilance, and in case of sickness, they will be treated with maternal solicitude.

The knowledge of Religion and of its duties will receive that attention which its importance demands, as the primary end of all true Education, and hence will form the basis of every class and department. Differences of religious tenets will not be an obstacle to the admission of Pupils, provided they be willing to conform to the general Regulations of the Insti-

ADVOCATE, No. 59, Little St. James Street, Montreal.

W. F. SMYTH. ABYOCATE,

Office, 24 St. Vincent Street, Montreal.

Will be ready on the 20th of March, (NEW AND REVISED EDITION,) THE LIFE OF ST. ELIZABETH OF HUNGARY,

by the Count de Montalembert. The Life, translated by Mary Hacket, and the Introduction, by Mrs. Sadlier. 12 mo., of 427 pages, with a fine steel engraving. Cloth, 5s; cloth gilt, 7s 6d. The first edition of Three Thousand having all been sold, and there being many calls for the work, we have put to press a New Edition. The transla-

tion has been read over with the French copy and carefully corrected. Of the merits of the work, we can safely say, that no biography ever issued from the American Press

equals it-it's as interesting as a romance. The Press have been unanimous in praise of the first edition. We give extracts from a few of them: "The book is one of the most interesting, instructive, and edifying that have been produced in our times, and every Catholic will read it with devout thankfulness to the Almighty God, that he has been pleased to raise up, in this faithless age, a layman who can write so edifying a work. It is marked by rare learning, fine artistic skill, and correct taste; and browthes the firms followed by and breathes the firmest faith and the most tender piety. His work is as refreshing as springs of water in a sandy desert...Let every one who can read purchase and read this beautiful Life of one of the most lovely and most favored Saints that have ever been vouchsafed to hallow our earthly pilgrimage."

-Brownson's Review. "The whole introduction shows the hand of a master, and it loses nothing in Mrs. Sadlier's racy and elegant English. It enhances the merit of the work, which, in the Dublin edition, was published without this essential preface. Of the Life itself, we cannot speak too highly. The exquisite character of 'the dear St. Elizabeth,' (as the good Germans have at all times styled her), is brought out with a clearness, a tenderness, and a vigor, which bring tears from the heart. We do not think there is any book of the kind in English, at all to be compared to this

'Life of Saint Elizabeth.'"—American Cell.
"We might say much in praise of the narrative and Life of St. Elizabeth, attending which, from the beginning to the end, is a charm which cannot fail to attract and secure the attention of the reader, did not the well known abilities of this distinguished author render it unnecessary..... We cheerfully re-commend the work to our readers."—Pittsburg Ca-

"This magnificent work of the great French Tribune of true liberty, has at last been translated into English. The name of its Author is a sufficient guao'clock, a. m.

A thorough course of instruction is imparted in this institution in English, French, Commercial and Mathematical Education, on very Moderate Terms.

Tantee for the value of the work. Montal impert is one of the lights of the age—a man who combines this institution in English, French, Commercial and Mathematical Education, on very Moderate Terms.
