### Service for Women

N the management of property and the investment of money, women often find themselves handicapped by inexperience. Mistrusting their own judgment, they appeal to friends for financial guidance. Such a course is not safe nor businesslike.

Insure your property against mismanagement, and relieve yourself of worry by enlisting the services of this company. You will receive the benefit of experience gained in the management of many estates, both large and small.

Our office will be glad to explain—by letter or interview—about the making of your will or any matters regarding a trust or banking business.
