# Mercantile Summary.

WM. T. WILSON, doing a small jewellery business at Merritton, has assigned.

We note the removal of Mr. John Leckie to more commodious premises at No. 13 Church street. Here he will have four spacious flats in which to handle his fisherman's supplies, &c., &c.

THE Beaver Oil Company, who succeeded to the Montreal business of the Vacuum Oil Company, of Rochester, about two years ago, have just assigned. They owe \$24,000 odd, a considerable bulk of which is due to American creditors.

HOUSTON & HARDING, manufacturers of dyed wools, Montreal, have assigned with gross liabilities of about \$32,500, of which \$10,500 is to their bankers. The firm began only about two and a half years ago with a moderate capital and very fair prospects of success.

MR. DANIEL McLEAN's shoe, leather, and findings catalogue for 1889 has just been issued from the press. It seems to be even more complete than the edition to which we referred early in last year, and no doubt merits the compliment which one of the leading Chicago firms has paid it.

AN assignment has been made to E. R. C. Clarkson by Mrs. F. P. Hammond, a milliner in this city.—E. A. Dodge, of Waupoos, sold out his general store some months ago, and now the creditors with whom he did not then settle have forced him to make an assignment.

THE assignment is noted of D. B. Deering, a shoe dealer in Winnipeg. He went to that place from Port Hope in 1882, and will be remembered as having a branch store on Yonge street in this city.—In 1887 Fleury & Co., dealers in dry goods, also of Winnipeg, made an assignment, and then owed about \$25,000. A second failure has just been recorded.
