BRIEFLETS.

Rev. Father Fallon, O. M. I., arrived here last Friday.

Rev. Father Grenier S. J. held services at Morden last Sunday.

His Grace the Archbishop of St. Boniface goes to Calgary tomorrow on important business connected with the ecclesiastical province of St. Boniface.

Rev. Father Lapointe, a native of St. Janvier, a graduate of Ste. Therese College, and lately ordained, arrived last week and will act as curate to the cathedral parish priest, Rev. Father Messier Rev. Father Ademard, O. M. I., whose health is now restored, will be employed elsewhere in this diocese.

Rev. Charles Caron, who received minor orders last Friday, and subdeaconship last Sunday, is a widower, 53 years of age. He was once a Pontifical Zonave and afterwards a professor for ten years in the most important Commercial Academy under the Quebec Board of education. He will soon be ordained priest, and his long experience of the best pedagogic methods will stand him in good stead in this province. Father Caron is a cousin of the Carons of St. Charles, Man.

On Thursday morning in St. Mary's Church Miss Lilly Keliher was united in the holy bonds of matrimony with Mr. Thos. Taylor, the popular representative of the Collier Publishing House of St. Paul. The ceremony was private, but many of the friends of the young couple were at the church and afterwards at the N. P. station to present their well wishes and congratulations. Mr. and Mrs. Taylor left on a honeymoon trip through the States at noon. They will take up their residence in this city. —Free Press.

The good construction of the Manitoba hotel is shown in the ruins in the large blocks of brickwork that have remained intact, though falling from great heights. The good shape of the walls still standing is also an evidence in the same direction. The reason the dining room walls fell out is also explained. The long span across the dining room necessitated the carrying of all the upper floors and partitions on trusses. When the bottom strings of the trusses burned through the whole weight of the upper part of the building was bearing down on the diagonal braces, and thus

pressing out the outside walls.—Tribune.

Mr. A. J. H. Dubuc returned last Saturday from a two months' visit to the east.

A lady correspondent from Rapid City writes that there is a great demand for servant girls in that locality. She thinks one hundred good Ontario girls could get places at wages from \$5 to \$10 per month, according to age and proficiency. —Telegram.

ARTHUR McHUGH.

Among the many earthly blossoms chosen for paradise since the dawning of 1899 was Arthur Joseph Mary McHugh, who, having suffered an illness of seven weeks, breathed forth his pure young spirit into the hands of angels at 10.45 p. m. January 20. The deceased was the fifth son of Mr. Felix A. McHugh, of Angus avenue, Calgary, N. W. T. Little Arthur, although only five years of age, was the joy and flower of his fond parents and household, and a beloved favorite among his playmates, but that flower was snatched from this world of sorrows to bloom in a brighter and better land.

Mr. and Mrs. McHugh and relatives have the sincere sympathy of a large circle of friends in their bereavement.

The funeral took place from the above address at 2 p. m. Monday, January 23rd, to St. Mary's cemetery, Calgary.—Com.

MONSIGNOR RITCHOT'S NEPHEW DIES OF SHOCK.

Last Thursday a very sad accident occurred in the parish of St. Norbert. Mr. Ritchot, a well known farmer and a nephew of Monsignor Ritchot, was slightly burnt while attempting to save goods from his burning house. Having become stricken with paralysis of the heart, he was taken to the residence of Dr. Gendreau, who did everything he could to relieve him; but the patient died the same evening without recovering consciousness. He was, however, duly anointed with Extreme Unction. We offer our heartfelt sympathy to Mgr. Ritchot.

"She comes from the past and re-visits my room; She looks as she did then, all beauty and bloom, So smiling and tender, so fresh and so fair, And yonder she sits in my cane-bottomed chair."

Many a man sits silent and alone in a house of mourning and conjures up before his eyes the face and form of the woman who was once a loving wife and a faithful helpmate. In thousands of such cases the wife might still be alive and well and happy, had the man been not only a good husband, but a wise adviser. Women shrink from the ordeal of consulting a physician. They shudder at the thought of submitting to the obnoxious examinations insisted upon by most physicians. In the majority of cases they have none of this hesitancy about consulting their husbands. A wise man will understand at once that troubles of this description will soon break down a woman's general health. He will understand that a specialist of eminence and world-wide reputation should be frankly consulted at once. Dr. R. V. Pierce, for thirty years chief consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., is one of the most eminent and widely-known specialists in the world. With the assistance of a staff of able physicians, he has prescribed for many thousands of ailing women. He has discovered a wonderful medicine for women, that may be used in the privacy of their homes. It is known as Dr. Pierce's Favorite Prescription. It cures surely, speedily and permanently, all weakness and disease of the distinctly feminine organism. It allays inflammation, heals ulceration, soothes pain, gives rest to the tortured nerves, and checks debilitating drains.

A New Departure.

Dr. Marschand, the celebrated French physician, has at last opened his magnificently equipped laboratory in Windsor, Ont. There is a large staff of chemists and physicians at his command, and the men and women of Canada may now procure the advice of this famous specialist free of charge.

Dr. Marschand has a world-wide reputation for successfully treating all nervous diseases of men and women, and you have but to write the doctor to be convinced that your answer, when received, is from a man who is entitled to the high position he holds in the medical fraternity.

Why suffer in silence when you can secure the advice of this eminent physician free of charge.

All correspondence is strictly confidential and names are held as sacred. Answers to correspondents are mailed in plain envelopes.

You are not asked to pay any exorbitant price for medicines, in fact it rarely happens that a patient has expended over 50 cents to one dollar before he or she becomes a firm friend and admirer of the doctor.

A special staff of lady physicians assist Dr. Marschand in his treatment of female cases. Always inclose three-cent stamp when you write and address The Dr. Marschand Chemical Co., Detroit, Mich. U. S. A. Mention the Northwest Review when you write the Doctor.

THE NINETEENTH CENTURY CATECHISM.

"The Catholic paper," said a distinguished Milwaukee Jesuit the other day, "is the catechism of the nineteenth century. To keep posted regarding the Church and her doctrines as they are discussed to-day, to have before you a ready refutation of the lies and slanders constantly floating about, you must take a Catholic paper. What does your family at home talk of and discuss? What they read. Get them a Catholic paper that they may be able to view and discuss intelligently the questions of the day as they are related to religion."

"About 1730," says Dr. Ashe "Porter has first manufactured in the City of London." This name was given to the beverage, because the principal consumers, were the Stalwart Porters of the day, who found its invigorating properties most beneficial, under their strain of work.

The names of Porter or Stout (as used by the public) are synonymous. We wish to mention our STOUT. Made from pure Malt and Hops it is most nourishing to the Invalid, because of its peculiar, aromatic flavour.

It is grateful to the Jaded Palate because of its TONIC QUALITIES.

It creates a healthy appetite, and builds up the system.

All sized bottles from half pints.
