Lieut.-Governor Chapeau returned to Montreal on Tuesday evening from Toronto, and expressed himself much delighted with his trip.

Mr. Newcombe, the Deputy Minister of Justice, who went to England to confer with the Colonial Office in reference to the copy-right question, will leave for Canada on the 27th inst.

Private Hayhurst, winner of the Queen's prize, and several other members of the Canadian Bisley team, were given a public reception in Toronto, on Tuesday, and subsequently honoured in Hamilton.

Mr. Wesley Bick returned to Ottawa on Tuesday from a seven years' residence as a missionary in Japan. He says that Villiers and Creelman, who wrote so much of the war reports, knew nothing about what was really going on except from hearsay. To strangers and foreigners the people were very kind, even during the war, when, naturally, relations were somewhat strained.

The fiftieth anniversary of the Rev. Dr. Wardrope's ordination to the Presbyterian ministry was celebrated on Tuesday in Chalmers' Church, Guelph, when he was presented with addresses from the Presbytery of Guelph, St. Paul's Church, Ottawa, and the session of Knox Church, Ottawa. An oil portrait was unveiled at the evening meeting, and presented to Chalmers' Church, to be kept suspended in the session-room. Dr. Wardrope has had only two charges in half a century, Ottawa and Guelph.

"If all the gold in mint or bank,
All earthly things that men call wealth
Were mine, with every titled rank,
I'd give them all for precious health."

Thus in anguish wrote a lady teacher to a near friend, telling of pitiless headache, of smarting pain, of pain in back and loins, of dejection, weakness and nervous, feverish unrest. The friend knew both causes and cure and flashed back the answer, "Take Dr. Pierce's Favorite Prescription." The distressed teacher obeyed, was restored to perfect health, and her daily duties once more became a daily pleasure. For lady teachers, sales-ladies and others kept long standing, or broken down by exhausting work, the "Prescription" is a most potent restorative tonic, and a certain cure for all female weakness. "DELIGHTED WITH THE RESULTS."

The accumulation of the profits in life insurance for a definite term of ten, fifteen or twenty years, known as the Investment Period, was not some years ago as popular with the insuring public as it is at the present time. The introduction of this system into Canadian Life Insurance is to be credited to the North American Life Assurance Company of Toronto, and its highly satisfactory results in the case of this particular company's policies which have actually matured have again and again been exemplified in the letters received from the holders of these policies.

Mr. T. J. Barrett, of Tilsonburg, says: "Your inspector, Mr. R. B. Hungerford, has just called on me with a settlement of my ten-year Endowment Investment Policy in your company, amounting to \$1,173.62."

"I am delighted with the result, as it is about \$78 more than I expected. I can truthfully say I have never regretted taking a policy in your company, and shall lose no opportunity of recommending it to my friends."

Full particulars respecting rates and the company's investment policies can be secured on application to the head office of the company, Toronto.
