

Best Known Cable

Reel In Canada

**T**HE demand for Northern Electric products and the fact that they are made by the largest manufacturers of bare and insulated wires and cables for electrical distribution is a positive assurance of quality.

They are as near perfection in both dependability and durability as experience, workmanship and superior materials, combined with the most modern machinery, can make them.

Bare copper, rubber covered and paper insulated, lead covered cables of Northern Electric manufacture—are designed by the most capable engineering skill and tested to ensure safety and efficiency to the fullest degree possible.

*Our nearest House will be pleased to submit specifications and prices upon request.*
