

IF "SHOULD NOT INCLUDE CULTURAL INDUSTRIES IN NEGOTIATIONS"  
TO Q50, ASK:

51. What if not including cultural industries in our trade negotiations with the United States meant that we would have to make concessions in other areas which could cause the loss of jobs? Would you then favour or oppose including cultural industries in our trade negotiations with the United States?	FAVOUR.....1	(37%)
	OPPOSE.....2	(61%)
	NO OPINION (VOLUNTEERED)....3	( 2%)

52. Some people say that a good personal relationship between Prime Minister Mulroney and President Reagan is the most important ingredient in ensuring good economic relations with the United States as a whole.	RELATIONSHIP BETWEEN PM AND PRESIDENT MOST IMPORTANT....1	(27%)
	POWERFUL INDUSTRIAL AND CONGRESSIONAL LEADERS.....2	(72%)
	NO OPINION (VOLUNTEERED).....3	( 1%)

Others say that even though the President and Prime Minister might like each other, there are powerful industrial and congressional leaders who can force the President to take certain steps to improve the American economy even if this hurts Canada.

Which one of these two points of view best represents your own?
