

ANNEX

This report has been prepared by the federal government in cooperation with other governments, organizations, and major groups in Canada.

These governments and organizations were either consulted during the preparation of the report to the CSD or were involved in the examples specifically mentioned in the report. However, there are numerous groups and organizations in Canada not on this list that have undertaken activities to implement the principles of sustainable development.

More complete information about particular aspects of the report can be obtained by contacting any of the following.
