

modalities of the Bank are set out in the table of decisions (fiche 2.2). The Canadian side, at the request of the Netherlands side, has undertaken to consider sympathetically the amount of its per diem.

#### Entry of Students into Canada

The Netherlands side brought to the attention of the Canadian side, problems encountered by students wishing to complete the practical and/or research part of their university degree in Canada. The Canadian Embassy in The Hague will monitor the situation and report on it. Necessary action to ease the problem will then be considered and acted upon in cooperation with the responsible parties in Canada.

The Minutes of the Consultations are contained in the decision and implementation part of the attached fiches. For reference purposes fiches are numbered and listed in the table of decisions.
