#### CANADA WORKS PROGRAM—REQUEST FOR INCREASED GRANTS

Mr. C.-A. Gauthier (Roberval): Mr. Speaker, under the provisions of Standing Order 43, I ask for the unanimous consent of the House to move a motion dealing with an important matter of urgent and pressing necessity.

In view of the fact that Roberval has known the highest rate of unemployment in the area, and considering that the funds obtained under the Canada Works program for 1979-80 have hardly paid for 30 per cent of the proposed projects, and before the Minister of Finance (Mr. Crosbie) completes the preparation of his budget, I move, seconded by the hon. member for Bellechasse (Mr. Lambert):

That the minister provide in his budget a substantial increase in funds earmarked for the Canada Works program to lessen the effect of unemployment announced for next winter throughout the province and elsewhere.

**Mr. Speaker:** Pursuant to Standing Order 43, this motion can be presented for debate only with the unanimous consent of the House. Is there unanimous consent?

Some hon. Members: Agreed.

# APPLICATION OF CROWSNEST PASS RATES—MOTION UNDER S.O. 43

**Mr. Lorne Nystrom (Yorkton-Melville):** Mr. Speaker, I have a motion under Standing Order 43. It arises out of the fact that several prominent Conservatives, including the Minister of Transport (Mr. Mazankowski), are reported as saying that the Crow rate should be scrapped or else changed. In light of that, I move, seconded by the hon. member for Regina East (Mr. de Jong):

That this House expresses its disapproval that the government is bypassing the central recommendation of the Hall report, namely, that the Crow rate be guaranteed for the farmer.

**Mr. Speaker:** This motion can be introduced for debate only with the unanimous consent of the House. Is there unanimous consent?

Some hon. Members: Agreed.

Some hon. Members: No.
