The Bravest of the Brave; or, With Peterborough in Spain.
By G. A. HENTY. With full-page Illustrations by H. M. PAGET. 12mo, cloth, price \$1.00.

There are few great leaders whose lives and actions have so completely fallen into oblivion as those of the Earl of Peterborough. This is largely due to the fact that they were over-shadowed by the glory and successes of Marlborough. His career as general extended over little more than a year, and yet, in that time, he showed a genius for warfare which has never been surpassed.

"Mr. Henty never loses sight of the moral purpose of his work—to enforce the doctrine of courage and truth. Lads will read 'The Bravest of the Brave' with pleasure and profit; of that we are quite sure."—*Daily Telegraph*.

The Cat of Bubastes: A Story of Ancient Egypt. By G. A. HENTY. With full-page Illustrations. 12mo, cloth, price \$1.00.

A story which will give young readers an unsurpassed insight into the customs of the Egyptian people. Amuba, a prince of the Rebu nation, is carried with his charioteer Jethro into slavery. They become henchmen of the house of Ameres, the Egyptian high-priest, and are happy in his service until the priest's son accidentally kills the sacred cat of Bubastes. In an outburst of popular fury Ameres is killed, and it rests with Jethro and Amuba to secure the escape of the high-priest's son and daughter.

"The story, from the critical moment of the killing of the sacred cat to the perilous exodus into Asia with which it closes, is very skilfully constructed and full of exciting adventures. It is admirably illustrated."—*Saturday Review*.

With Washington at Monmouth: A Story of Three Philadelphia Boys. By JAMES OTIS. 12mo, cloth, price \$1.00.

Three Philadelphian boys, Seth Graydon "whose mother conducted a boarding-house which was patronized by the British officers;" Enoch Ball, "son of that Mrs. Ball whose dancing school was situated on Letitia Street," and little Jacob, son of "Chris, the Baker," serve as the principal characters. The story is laid during the winter when Lord Howe held possession of the city, and the lads aid the cause by assisting the American spies who make regular and frequent visits from Valley Forge. One reads here of home-life in the captive city when bread was scarce among the people of the lower classes, and a reckless prodigality shown by the British officers, who passed the winter in feasting and merry-making while the members of the patriot army but a few miles away were suffering from both cold and hunger. The story abounds with pictures of Colonial life skillfully drawn, and the glimpses of Washington's soldiers which are given show that the work has not been hastily done, or without considerable study.
