

## No Conscription.

Come on, you boys of Canada!  
And never let it be said,  
That you ever had to be led,  
Like a horse, with a halter round his  
    head!  
But uphold the name that the first  
    boys made,  
And go right to the fore;  
And take your place in this big fight,  
Our Empire's righteous war.
