YANKEE POLO TEAM WINS SECOND GAME BY FRACTION OF A POINT

Enormous Crowd Sees Englishmen Beaten For International Trophy—Fairly Like a Ball Game.

NEW YORK, June 14.—By the narrow margin of one-quarter of one goal the American polo team won the second and deciding game of the international cup series at the Meadowbrook Club yesterday afternoon, and thereby retain the trophy for at least another year. The score was 4½ to 4¼.

The slight advantage of the United States over England challenged at the end of one hour of the most desperate kind of play is fully indicated by the trifling difference in the scores of the two teams.

The spectacle thrilled the crowd of 35,000 persons until the dignified assemblage was fairly carried away, and rooted in a typical baseball crowd during the final period of play. The shrill shrieks of the multitude portion of the throng rose high above the deeper notes of encouragement from their seats.

When finally the thousands realized that England's invasion had gone for naught, there was a rush of enthusiasts from stands to the field, that fairly encircled the competing players, while from outside the enclosure there arose a terrific din of automobile horns and sirens proclaiming another American victory in an international contest.

Never for a moment did the action slack, and the game was one continuous spectacle of rushes, first in the direction of the American goal, and then toward the goal of the Union Jack. In this sixty-minute melee the English showed a better team attack than the cup defenders, and their ponies, too, played the game as well as their riders.

It was only by daring dashes and desperate individual play that they actually overcame the defect of lax team work and won on merit a game which will probably stand for years as a polo thriller.

The English four, on the other hand, benefited by the change which brought F. M. Freake into the game in place of Capt. Ned Edwards. The veteran internationalist proved a tower of strength, teaming up with both Captains Cheape and Risdon in a manner which opened the eyes of those who had seen the English play, and Freake played polo strokes, fore and back-hand, that astonished the spectators.

The assemblage was fully in keeping with the play that developed. The list of box-holders and grand stand patrons included hundreds of men and women of standing in both American social and official life. To be sure, must be added dress-women names, titles and distinctions assure them of a welcome to the royal courts of England and Continental Europe.

While the English four and their supporters were charged that the challenge should have been lost, the English were frank in expressing their opinion that the better team had won and in their praise of the perfect treatment accorded them, both on and off the field. They were, however, far from convinced that the same result would develop in another series, and expressed an opinion in an unofficial way that another challenge and series might be expected next year, unless unforeseen obstacles should arise.

The terrific heat undoubtedly bothered both the English ponies and players, and Mr. Freake was temporarily stunned by a mallet blow during the play. He soon recovered, and, although complaining of dizziness from both the blow and the heat, played desperately until the end. The mallet to Mr. Freake and the fall of Devereux Milburn from his pony in the seventh period were the only accidents of the game.

The two fouls, one of which was called upon each team, were imposed in accordance with the rule which states that players shall not cross or charge into each other at right angles because of the danger of a bad fall when this occurs. This rule was not carefully observed by both teams, except in the two cases, which brought penalties and were due to the "back" play which prevented the fouling until the rule had been broken.

Amateur Football Teams' Results.
Do Not Depose Any Leaders.
—Ties For Second Place.

The games in the T. & D. Saturday saw as usual some very clever football, while several changes in league standing resulted. Sunderlands, the leaders of the senior division, had little trouble in defeating their lighter opponents, the Hiawathas, by the score of 5 to 0, and so put themselves in a safe position at the top of the heap. The Thistles and the Overalls, who were tied for second, but neither could score the winning goal, the game resulting in a draw.

The Selkips won the third place, and retained their lead, and again two games were played in a second place when Wychwood drew with Sons of Scotland, and Devonians from Tri Mus. Two games were not scheduled, but the results will be the result.

LAKE SHORE BASEBALL.
BOWMANVILLE, June 14.—In the Lake Shore League baseball game played here today between the Goodyears of Bowmanville and Port Hope, the home team won by the score of 3 to 7. Batteries: Goodyears, McClellan and Chalk; Port Hope, Petrick, Bowen and Chalk. Time, 1½ hours.

EMERY RACE OFF.
Owing to the absence of a breeze the Emery Beach Boating Club dingy race which was to have been sailed on Saturday afternoon was postponed. The race will be contested next Saturday.

A MAGNIFICENT ASSORTMENT OF MEN'S STRAW HATS IN READINESS

Smart Styles, Comfortable Cushion Bands and Smoothness of Finish Distinctive Features of the Showing

EVERY STRAW HAT IS LIGHT, IN WEIGHT, and is provided with a well-drummed cushion sweatband, a feature that makes the hat stick on the head in windy weather without the continual jamming down annoyance, or the consequent red mark across the forehead. It sticks but does not bind or compress. No greater contribution to comfort in the wearing of a straw hat was ever invented.

Every new shape and style, straw and weave have been gathered here, from the largest straw hat manufacturers of the world, providing a selection that is unique even for the Big Store, and offering such a selection that all men, of all ages, can easily choose one that is becoming and suitable to his personality. Come Tuesday. The hats are displayed where you can easily get at them and try them on until you are satisfied in every particular. Many new styles are shown in the split, sennit, Panama and Bangkok weaves, a few of which are listed below:

At \$1.25 we have a Dressy Sailor of English manufacture. This is a smart-looking hat, and is nicely finished with black outside band.

At \$1.50 is a similar hat of better straw, with higher crown and narrower rim—a shape that will be popular this season with young men.

At \$2.00 we show the world-famous English straws that are Cravenetted, a process which renders them showerproof and causes them to keep their shape and color for a much longer time than the ordinary straw; finished with fine quality trimmings and comfortable fitting leather sweatbands. These are in dressy boater shape, with medium height crowns and modern rims.

Our \$2.50 line of Sennit Straws includes smart styles in both English and American makes. One hat of English manufacture has a rather low crown and wide brim, and is beautifully finished with inside lining of brown silk, and has the patent bon-ton ivy sweatband of Morocco leather, which gives perfect ventilation to the head, fits tightly but comfortably.

NEW RECORD AT TORONTO'S GREAT ATHLETIC MEETING

By Jack Tait in Thousand Yards Handicap—Tresidder Defeats Mel Sheppard in Quarter Mile Handicap. Both on Scratch.

With a fast track, a good card of athletes and ideal weather the Eaton A.A. meet was held at the Island Stadium. The only thing that did not come up to the expectations was the crowd. An attendance of about 10,000 was predicted, but not quite half that number were on the job. This was Toronto's biggest athletic meet.

Mel Sheppard, the flying Mercury of Gotham, and Jos. Driscoll of Buffalo, were the headliners of the quarter mile, while Jack Tait, Jack Tresidder and other track burners held up the Canadian end.

The band of the 48th Highlanders, under the leadership of Lieut. John Slater dispensed stirring music from the field.

There were about 100 competitors in track events, along with a few cyclists, a football contest, five a side, between the English and Canadians was also put on. The feature of the day was the inter-city relay race between the Toronto and Niagara Falls teams.

Altogether Jack Tait finished second, broke his Canada record in 2:19.5 minutes. He ran the distance of 2:26 minutes. There were only five starters in the event. Sheppard and Driscoll failing to appear. Ted Phillips of Broadview, with 50 yards, just managed to nose out Tait.

Second heat—1. J. W. Cooke, C.Y.M.C.A. (14 yards). Time 2:19.5 minutes. Final 220 yards handicap—closed—1. F. May (14 yards). 2. S. Bloodworth (scr.). 3. J. W. Cooke (14 yards). Time 2:22.6 seconds.

Root and shoe race, boys, closed—1. R. Spradrow; 2. Ernest Weyer; 3. Ira Hathaway.

Assistant managers' race, 100 yards, handicap—1. W. Toose (aged 63); 2. Thos. P. Douglas; 3. R. Williams. Time about 5 minutes.

Sack race, 75 yards, closed—1. W. Hotrum; 2. A. R. McKellard.

Three-mile handicap, open—1. D. McLaughlin, W.E.Y.M.C.A. (30 yards); 2. W. E.Y.M.C.A. (15 yards). Time 51 sec.

Tresidder ran a beautiful race, winning by five yards. Sheppard of New York, who was on scratch with the Toronto boy, finished in fourth place. Tresidder pulled away from the New York crack at the first turn of the track and then began to pass them all, about twenty in number. He sprinted past Phillips and Stone on the stretch. He received quite an ovation. Sheppard seemed to be pocketed on the second turn.

One mile boys' race, under 18, closed—1. R. E. Hanson; 2. Allen Bennett; 3. H. Leet. Time 5:25.2 seconds.

100 yards handicap, closed—First heat—1. Fred May (14 yards). 2. Chas. Boyle (scr.). 3. James Elliott (8 yards). Time 22.5 seconds.

Second heat—1. S. Bloodworth (scr.). 2. J. W. Cooke (14 yards). 3. R. McNally (14 yards). Time 24.5 seconds.
