TO HAVE LONG, LUSTROUS HAIR-I you allow dandruff to remain on the saip it will surely kill the hair. Falling ir is almost always caused by this evil. The tonk which I have found most prac-let on the sair of t work would be continued thrucut the winter. Principal Eldon reported that the attendance in the day classes is now 373. This number seriously overtaxes the accommodation in the present building on Clinton street. The two he tonk which I have found most prac-cal for cure of dandruff and brittle hair, a well as a heightener of the natural lor and producer of lustre is made from ne ounce quinzoin dissolved in haif-int each of alcohol and water. Use once t twice a week by gently rubbing into he roots.

MAKING EYES BRILLIANT-Sparkle of this soothing tonle in each eye daily. You can get crystos from any druggist. WRINKLE REMOVER - Remove winkles and keep the face velvety and mooth at a very little cost by making at home and using regularly this grease-les vesetable jelly-cream which does not grow hair Get from your druggist one ounce almozoin and dissolve in half-pint cold water or witch hazel, adding two teapoonfuls of glycerine. Stir and let tand one day. Apply to wrinkled surface and iseave through night, then wash off ind use more of the cream as a massage. This treatment will remove and prevent

The Beauty Hunter

wis feet, while softening the skin to velvety texture. EASY SHAMPOO—An easy, quick-dry-my anampoo can be enjoyed at home for trifling cost by dissolving a teaspoonful anthrox in a cup of hot water. This takes a thick, bland lather, wonderfully ansing and invisorating to both hair as easp. Rinsing removes all dust, andruff and excess oil and brings back timer rich color and lustre to dullest at rich and hair is easy to do up. mong all shampoos canthrox is the only in which its makers have such con-tence that they will mall a free trial all who write them—Dept.
