

How he loves a shower of MENNEN'S TALCUM POWDER

HE'S such a contented little chap—of course he is, after his bath—fresh and clean, just as lovable as he can be. His mother showers him all over with Mennen's Borated Talcum.

That completes his contentment.

It smooths his skin and prevents chafing—cools and comforts him.

Mennen's was the first Borated Talcum and we believe that nothing better is made.

Be careful to insist on Mennen's for *your* Baby.

And in cases of diaper-rash, scalding or other baby troubles, use **Kora-Konia**. It is somewhat similar to Talcum Powder, but contains additional medicinal properties.

Mennen's Borated Talcum will PREVENT but **Kora-Konia** will HEAL cases where prevention was impossible.

You will be delighted at the quick relief **Kora-Konia** will give to the most severe irritations of the skin.
