SENTINEL-REVIEW,

GO. A. HOWELL, Esq.,
 Manager Grip Co., Toronto. WOODBURY, ONT., June 14th, 1894.

DEAR SIR, We send you by this mail, as requested, a sample copy of our daily containing the photo of Sir Oliver Mowat. The engraving, as you will see, printed very well on our press, running at a speed of about 1,200 an hour. The paper (No. 1 print) is not of the best quality, but the cut came out much better than we expected. The pressman was especially surprised that he could print as fine a cut as this and do such good work.

Yours truly,
 C. A. ASKHAM,
 Business Manager.
