said: "I ask your lordship to find that here was no motive for the prisoner to set this fire." Crown Attorney Greer pressed very strongly for a conviction, inasmuch as

Spiegel's business was in very bad condition, his employes were clamoring for their wages and his bank balance was almost entirely wiped out. These circumstances together with the fact that the fire had started so startlingly soon after Spiegel had left the building, argued strongly against the innocence of the accused, the con-

tended. Collision of Stars and Birth of New

Planets, There is good reason to believe that he bodies in space-both luminous and dead-occasionally fall together, and his onception of such an event was given by Professor A. W. Bickerton in a late

Royal Institute lecture. The collisions do not come at random that is possible and not let the question stop here." (Applause.)

Dr. Taylor is a Toronto University graduate. He has charge for the comment of the educational work in China. Altho he has not been in Toronto long he is anxious to get back to his post and assist in the upbuilding of the now republic.

Railroading in the Pyrenees.

Three hundred miles of railway now being constructed in the Pyrenees are by water-power stations in the mountains. Constantinople is to be supplied.

Sether when Reece missed the money of business men on the stand to testify as to the good character of Spiegel in the community. Gravity and other agencies are at work, and before two suns collide they come into each other's influence for hundreds waxed very dramatic in dis description of the prisoner's wife and family, who had hitherto sut this result that the money was found in the prisoner, placed a number of pushiness men on the stand to testify as to the good character of Spiegel in as to the good character of Spiegel in the community.

Counsel for the defenge went into the community.

Perry is one of a pair who 'wo years ago were before County Judge Carman court deem it wise to convict him. As the velocity would be proportion of the prisoner, placed a number of Spiegel in as to the good character of Spiegel in the community.

Counsel for the defenge went into the community.

Perry is one of a pair who 'wo years would be in a sorry plight should be proportion of the prisoner, placed a number.

Counsel for the defenge went into the community.

As the collisions do not come at random, Gravity and other agencies are at work, and before two suns collide they come into each other's influence for hundreds most minute details of the case and most minute details of the case and waxed very dramatic in dis description of the prisoner's placed in the community.
