CITY BASKETBALL SCHEDULE

Prospects Are Very Bright.

No Bonspiel at Owen Sound.

Owen Sound, Dec. 4.—At a meeting of the Owen Sound curiers the following offi-

Kenzie made a pretty shot, Loucks batting the ball out. Campbell, who was close in, scored on the rebound. Blakely and Carscallen were ruled off this half.

The score indicates the play, the Dents having a shade on their opponents yesterday. For Dents, Strachan, Grassie and Blakely were the pick of the forwards. Bricker did good work at centre half. Dents' defence was strong and the forwards were well balanced.

Murray and McKenzie had a busy afternoon on the S.P.S. half-line, and did their work well, altho yesterday the slippery going was not conducive to good football. Campbell and Young on the forward line were the best. Campbell is the Stayner lacrosse player, who played for Brantford last year. Loucks in goal for Dents plays with the Meaford team,

Some great football has been seen in the interfaculty series this year, and as long as the series is continued Varsity will hold her own in the soccer game. This is the first time McKenzie has falled to be on a winning S.P.S. team in four years. The teams:

These teams met two weeks ago in what was to be the deciding game, but as neither team scored before darkness intervened, it was forced to be postponed, S.P.S. followers were quite confident their favorites would win, and offered odds, The result was a lot of money changed hands.
