

HAMILTON INDUSTRIES

MEN! At my offices in New York, Buffalo, Toronto and Hamilton

I make it my business to help the workingman.

1st. By locating factories to give you work.
2nd. By giving you a home on rent payments.

A Home and Work--That's It

3 NEW factories for Kentworth to be built in Spring, employing some 500 hands. More coming. That's what I'm doing for Hamilton, and for YOU the following:

New cosy home, 6 rooms, electric light, nicely planned, artistically painted inside and out, large veranda, well built; lot 25x100. \$1,050-\$100 down, \$10 month. Why pay rent? Will be worth \$1200 in 6 months.

Lot 25x100, high, dry, containing some 20 young, vigorous fruit trees. \$75 to \$100--\$5 down, \$5 monthly. If you can't build now, camp out in the summer, pick fruit, and save enough to pay for the lot.

60 houses there now, 80 more for Spring. All these prices to be advanced. Come in, I will help you. Open evenings.
