the shooting was on Keele-street nearby in front of the police station, and within a stone's throw of Dundasstreet, where cars are turning every six minutes, and where at such an hour of the night large numbers of people are returning from the city by every car.

Which runs into Union-street.

Robert Patterson was driving past, and Constable Harper, who lost no time in getting after the fleeing highwayman, hailed him. The constable drove to the corner of Humberside avenue and Dundas-street, where he jumped on a city car and went to Bloor and Dundas-streets, where ne hid behind a telephone pole and watched each car coming from the Juvetion.

An Excellent Club. An Excellent Club.

Constable Harper was on duty and was standing at the corner when the first shot was fired. He and a number of citizens rushed to the scene, and the participants in the hold-up at once fied. Apparently there were four men in the gang. Dr. Mason passed the spot a minute or two before and saw four men standing in front of Grieg's livery stable. Charles Mutart and John Ehaw followed close behind him, but there were only two men there then.

Drew a Revolver.

These two men entered into conversation with Mutart and Shaw, and said they came from Parkdale. They are all the while the many was not the reconstable hat in the scuffle, and the constable hat a seeking leases of fland. Sequel to "American Invasion"

Cry Arouses Fear on the
Other Side.

Canada's industrial and commercial progress is attracting the most pronounced interest thruout the United States just at present. The large daily papers, as well as the popular magazines in the states, are sending staff correspondents into different parts of

Canada for the purpose of giving to their readers facts about the "American invasion" and the causes therefor.

To-day Frank C. Carpenter, the syndicate writer, is in Toroate en route into New Ontario, with instructions to prepare a series of articles for the fifty or more influential daily papers he represents. He will drift west hefore returning, and write some stories about the army of Americans who have crossed into the Northwest from the states west of the Mississippi River.

Keen Interest in the States
