In the centre of this front, according to today's Russian official statement, the Russians and Rumanians yesterday repuised strong Teuton attacks along the Fokshani-Marasechti railroad, then counter-attacked and captured 1,200 Germans, only to retire later in the evening. In Southeastern Moldavia the Russians took the offensive, smashed the Teuton lines and captured a number of prisoners and four guns. In Western Moldavia the Austro-Germans after battles of great intensity forced the Rumanians to retire to Ocna.

The text of the Russian statement follows:
