### Tobacco Hardens the Arteries, Overtaxes the Heart And Shortens Life

Says Dr. Connor, Who Suggests a Simple Test to Find If It Is

New York.—Dr. Connor, formerly of Johns Hopkins Hospital, says: Hundreds of thousands of men who smoke and chew and who believe themselves healthy are suffering from progressive organic allments. They would never have been afflicted had it not been for the use of tobacco and most of them would soon get well if they would and chew and who believe themselves healthy are suffering from progressive organic ailments. They would never have been afflicted had it not been for the use of tobacco and most of them would soon get well if they would only stop the use of tobacco. The best-known habit forming principle of tobacco is nicotine, but the most deadly and demoralizing is furners.

most deadly and demoralizing is fur-fural. Both are deadly poison, which, when absorbed by the system slowly, but surely, affect the nerves, mem-but surely, affect the nerves, mem-but surely, affect the nerves, mem-but surely. when absorbed by the system slowly, but surely, affect the nerves, membranes, tissues, vital organs and vitality of the body.

The harmful effect of tobacco varies and depends on circumstances and the individual. In some it causes general debility, others catarrh of the throat, indivestion, constipation, extreme nervousness, sleeplessness, loss of memory, vousness, sleeplessness, loss of memory, will have no desirefor tobacco. The mental confusion, etc.; in others it causes heart disease, bronchial troubles, hardening of the arteries, palpitation of the heart, tuberculosis, blindness, cancer and the common affliction known as tobacco heart.

If you use tobacco in any form you easily detect its harmful effects by making the following simple tests: Read aloud a full page from a book. If your voice becomes muffled, hoarse and indistinct and you must frequently clear your throat, the chances are that your throat is affected by catarrh and it may be the beginning of very serious catarrhal trouble. Next, in the morning, plessness, loss of memory, you will have no desire for tobacco. The DR
