ADVANCES SCORED AT MONTREAL STOCK MART Canada Cement Led, Setting New

HAMILTON.

High Record Price. MONTREAL, Jan. 14.—Buying, en couraged by the strong upturn in the

New York list, found stocks in scant sharp advances were scored, practically all thru the active list. The market closed strong and fairly active, with net gains of 1 to 3 1-2 points in stocks of the munition groups. Canada Cement continued to lead the market and its sustained strength in the face of recent heaviness elsewhere combined with the New York influ combined with the New York influence of rising prices to import a generally improved tone to the whole market. In the morning Cement rose 1 1-4 above its previous high record price, selling at 49 1-2. In the afternoon its advance continued nearly a point higher to 50 3-8, and the close was at the best price. Dealings in the stock were on a considerably larger scale than on Thursday, coming within a few shares of 6090.

in a few shares of 6900.

The principal activity elsewhere was in the steel stocks, which were all strong. Steel of Canada rose 3 1-2 to 29, Iron 1 1-2 to 47 1-2 and Scotia 2 1-2 29. Iron 1 1-2 to 47 1-2 and Scotia 2 1-2 to 99 1-2, all three finishing at the highest. Scotia at the close was qoted 99 7-8 bid. The sharp upturns, therefore, emphasized the condition previously noted, that while buying was timed there was not great quantity of stock for sale. Bridge was quiet, 230 bid. Locomotive rose sharply to 61 1-2. Canada Forgings improved to 212. Car was the reactionary feature of the market, falling two points to 70 1-2, but later went to 72 1-2 bid.
