Leave It to Jeff to Get Everything Mixed Up

JEFF WE'VE BEEN INVITED TO THE BANQUET OF NEW YORK CALIFORNIANS AT THE ASTOR. NOW I'M GONNA MAKE A SPEECH. YOU KNOW A JAPANESE TO A CALIFORNIAN IS LIKE A RED FLAG TO A BULL, SO I'M GONNA MAKE AN ANTI-JAPANESE SPEECH.

I'M GONNA GIVE MY SPEECH A REGULAR GEOGRAPHICAL FINISH WITH TWO FLAGS IN YOUR POCKET AND WHEN I ASK YOU TO SLIP ME THE AMERICAN FLAG FIRST AND THEN THE JAP FLAG YOU GIVE ME THE JAP FLAG.

GENTLEMEN, I DID NOT EXPECT TO BE CALLED UPON TO SPEAK. I AM SOMEWHAT UNPREPARED, BUT AS CALIFORNIANS IT IS OUR DUTY TO OUR BROTHERS TO HANDLE THE JAP QUESTION WITH A FIRM HAND.

THE NUMBER OF JAPS ON THE PACIFIC COAST IS INCREASING EVERY DAY, AND IT IS NOW UP TO US TO CHOOSE BETWEEN TWO FLAGS, THE JAPANESE OR AMERICAN.

THEREFORE, FELLOW CALIFORNIANS, WE MUST WAKE UP AND DECIDE NOW THAT THIS FLAG SHALL ALWAYS FLY OVER OUR BEAUTIFUL STATE INSTEAD OF THE FLAG OF JAPAN.

Annual Meeting Held in Prince George Hotel Saturday—Players Will Have Time Checks This Season.

Delegates of the different clubs in the N. L. U. gathered at the Prince George Hotel on Saturday afternoon, when the annual meeting of the National Lacrosse Union was held.

The visiting delegates were royally entertained during their stay in Toronto by Mr. Solman. Every delegate expressed his pleasure at the good time they were having, in which business and pleasure were so agreeably mingled.

In his address, President Murphy said that the success of the N. L. U. during the coming season depended on the support given to the president by each and every club. Bright prospects were ahead, and Mr. Murphy urged that the newspapers give all the publicity possible to the N. L. U. games.

"I would favor the appointment of a press bureau," said he, "and I offer a check for \$100 to the club for giving the game publicity in every way possible."

A new species of elephant has been discovered in Africa. It is known to the natives as the water elephant, and a herd of five of them was seen on the shores of Lake Leopold II. by one of the explorers sent out by the Museum of Natural History. Compared with the known elephants, they seemed much smaller, with shorter trunks, longer necks and no tusks. Before more minute examination was possible, the animals plunged into the lake. An account of this new discovery is given in *La Nature*.
