

PREFACE

The proceedings of the Engineering Society of the School of Practical Science for the academic year 1896-97 are herewith respectfully submitted.

The Society congratulates itself on having received such valuable contributions for the present issue, and extends its thanks to those who have taken such an interest in its welfare.

The progress of the previous eleven years has been enjoyed during the year which is just closing.

Papers in all the branches of engineering and architecture are respectfully solicited.

The demand for the publication steadily increases.

The present issue consists of fifteen hundred copies.
