### Why I Believe In Nuxated Iron

A Strength-Builder for the Nation  
 (By E. Sauer, M. D.)

Probably no remedy has ever met with such phenomenal success as has Nuxated Iron. It is conservatively estimated that over three million people annually are taking it in this country alone. It has been highly endorsed by former United States Senators and Members of Congress; Physicians who have been connected with well-known hospitals have prescribed it; prominent Catholic Clergymen, recommend it to all members of the Catholic Church. Former Health Commissioner Wm. R. Kerr, of Chicago, says it ought to be used in every hospital and prescribed by every physician. Sir Bernard Shaw, the British author, the world's most noted actress, has ordered a large quantity sent to the French soldiers to help give them strength, power and endurance.

Dr. A. J. Newman, late Police Surgeon of the City of Chicago and former House Surgeon Jefferson Park Hospital, Chicago, says Nuxated Iron has proven through his own tests of it to excel any preparation he has ever used for creating and building up the nerves, strengthening the muscles and correcting digestive disorders.

Dr. N. H. Hornstine for ten years Physician in the Department of Public Health and Charities of Philadelphia says that tests made with Nuxated Iron on a number of stubborn cases where other tonics had failed absolutely convinced him of its remarkable and unusual power.

If you are not strong or well, you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained.

**NOTE:**—Nuxated Iron, which has been used by former Members of the United States Senate and House of Representatives, and other prominent people with such surprising results, and which is prescribed and recommended above by physicians in such a great variety of cases, is not a patent medicine nor secret remedy, but one which is well known to druggists and whose iron constituents are widely prescribed by eminent physicians everywhere. Unlike the older inorganic iron products, it is easily assimilated, does not injure the bowels, causes them black nor upset the stomach; on the contrary it is a most potent remedy in nearly all forms of indigestion as well as for nervous run-down conditions. The manufacturers have such great confidence in Nuxated Iron that they offer to forfeit \$1000 to any charitable institution if they cannot take any man or woman under 60 who lacks iron and increase their strength 100 per cent. or over in four weeks' time, provided they have no serious organic trouble. They also offer to refund your money if it does not at least double your strength and endurance in ten days' time. It is dispensed by Watsons Drug Store and all good druggists.

 (Signed) **RODNEY M. LLOYD**, Admiral.

**ENTIRE CREW PRAISES ZAM-BUK**  
 From Admiral to stoker, all grades of service praise Zam-Buk. Stoker King-north of H.M.S. "Cochrane," says:—"I slipped and fell on an exhaust steam pipe, which fairly fried the skin on my arm. At once the ship's surgeon dressed the burn, but the injury would not heal owing to a lot of dirt from the pipe causing blood-poison. I was in fearful pain and didn't know how to get ease. For weeks I remained under treatment, but the ordinary ointments proved no good. Indeed, I got worse. I therefore obtained a supply of Zam-Buk and applied it as soon as this was applied I got ease. From the very first application, healing commenced; and a few boxes of Zam-Buk healed my wound completely. Zam-Buk cures eczema, sores, abscesses, ring-worm, bad leg, various ulcers, piles, cold sores, chapped hands, babies' sores, etc. All stores at 50c, or post free from Zam-Buk Co., Toronto, for FREE TRIAL BOX. ### Eczema Cured Five Years Ago

A Treatment Which Has Proven a Wonderful Healer of the Skin—Certified Evidence of Lasting Cure

Jordan, Ont., Oct. 5.—The old notion that eczema is a disease of the blood is refuted time and time again by the cures that are daily being effected by Dr. Chase's Ointment. Here is the proof. He writes: "My brother had a bad case of eczema on his legs. He was troubled nearly all one fall and winter with it, and could not work for days at a time. He tried different salves and ointments, but none cured him. One day he tried Dr. Chase's Ointment, and it gave almost instant relief. He continued its use, but had not quite finished the second box when he was cured. It is now about five years since then, and it has never returned. We certainly can recommend Dr. Chase's Ointment, and are very grateful for my brother's cure."

(Rev. S. F. Coffman, Vineland, Ont.), states: "This is to certify that I know Mrs. McSwatkins and the party to whom she refers, and her statements are correct."

Mr. J. E. Jones, 228 University avenue, Kingston, Ont., writes: "I had eczema in my hand for about five years. I tried a great many remedies, but found that while some of them checked it, none cured it permanently. Finally I tried Dr. Chase's Ointment, and in six weeks my hand was completely better. I would not do without a box of Dr. Chase's Ointment in the house if it cost \$2 a box. I am giving my name to this firm so that it will get to those who suffer as I did."

Dr. Chase's Ointment, 40 cents a box, at all dealers or Edmondson, Bates & Co., Limited, Toronto. Sales everywhere. Insist on getting what you ask for.

**Don't Neglect your stomach.** Keep it strong and well. When food disagrees with it, strengthen it with **BEECHAM'S PILLS**

### IF FOOD DISAGREES DRINK HOT WATER

When food lies like lead in the stomach and you have that uncomfortable, distended feeling, it is because of insufficient blood supply to the stomach, combined with acid and food fermentation. In such cases try the plan now followed in many hospitals and advised by many eminent physicians of taking a teaspoonful of pure bisulphate of magnesia in half a glass of water, as hot as you can comfortably drink it. The hot water draws the blood to the stomach and the bisulphate of magnesia, as any physician can tell you, instantly neutralizes the acid and stops the food fermentation. Try this simple plan and you will be astonished at the immediate feeling of relief and comfort that always follows the restoration of the normal process of digestion. People who find it inconvenient at times to secure hot water and travellers who are frequently obliged to take hasty meals poorly prepared, should always take two or three five-grain tablets of Bisulphate of Magnesia after meals to prevent fermentation and neutralize the acid in their stomach.

### Simple Home Remedy for Wrinkled Faces

Thousands are spending fortunes in fruitless efforts to remove the signs of premature aging. Such women will willingly pay almost any amount of money for worthless, terrible remedies, of which there are many. If they only knew it, the most effective remedy imaginable is at home. It is a face wash which can be made up at home in less than a minute. It is made of a store and mix the two. Apply this daily to the face and neck. The result is almost magical. Even after the first treatment a marked improvement is seen. The face is fresh, clear, and free from wrinkles. It is the most pleasing.

They are men worthy of the homes from which they have come and they have not forgotten those homes and they are not going to let the opportunity of seeing a great many of them, both in England and in France and we have a right, here in Canada, to be thankful that our boys are just as good and many are better, than they were at home."

### A New, Harmless Way to Banish Hairy Growth

(Beauty Topics.)  
 By following this suggestion any woman can, in the privacy of her own home, remove every trace of hair or fuzz from her face. With powdered talc and water mix enough paste to cover the not wanted hair; apply and in 2 or 3 minutes rub off and wash the skin. This method is unfeeling, harmless and quick in results, but care should be employed to get the genuine talc.

### Dandruff Surely Destroys the Hair

Girls—if you want plenty of thick, beautiful, glossy, silky hair, do by means get rid of dandruff, for it will starve your hair and ruin it if you don't. It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then apply it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips. By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look as if it were never troubled. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.

### BIG EATERS GET KIDNEY TROUBLE

Take Salts at First Sign of Bladder Irritation or Backache  
 The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your physician about four ounces of Jad Salts! Take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will be made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders. Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.
