Social Notes of Interest

Upwards of 150 guests journeyed by special train and automobiles to the Riverside Country Club yesterday to attend the delightfully arranged luncheon given in honor of the visiting members of the Canadian Bar Association and their ladies. Ideal weather conditions prevailed and the scene from the clubhouse veranda overlooking the beautiful Kennebecasis River and in the back the close cropped green of the links stretching as far as the eye could reach, was one not soon to be forgotten. Lunch was served at small tables which were artistically decorated for the occasion with sweet peas and multicolored gladioli by Miss Muriel Fairweather, who had charge of the floral decorations. During the afternoon golf was enjoyed at the club by the guests through the courtesy of Mrs. Percy Thompson of Robbsey. At four o'clock those present were conveyed by motor cars kindly loaned for the occasion to "The Grove," Robbsey, where the members of the bar in the Maritimes were hosts at a garden party in the grounds of Major General Hugh H. McLean.

McLean at Robbsey which had been kindly loaned by him for the occasion. Brilliant sunshine favored the event and the guests, numbering about 150, spent the afternoon roaming about the well kept lawns and neighboring grove enjoying the results of the scene. The regimental band of the 20th Battalion rendered a program of popular airs during the
