### LIQUOR CHARGES.

Thomas Barrett, charged with having intoxicating liquor in his beer shop in Prince Edward street on Nov. 2, pleaded not guilty this morning. The case was postponed until next Friday afternoon at 2.30 o'clock. A deposit of \$50 was made. The small deposit was accepted as the prosecution said the evidence was only circumstantial. Vincent Sadovsky put up a deposit of \$200 yesterday afternoon in the court for his appearance in court next Tuesday afternoon to answer a charge of having liquor on his premises in Main street illegally. J. Star Tait appeared for the prosecution in each case.

A letter from Hon. J. A. Robb to the Board of Trade, who had been written to in connection with the removal of the 5 per cent. sales tax on canned fish, said that this was a matter which would have to be dealt with by Parliament. The sales tax on canned fruit and vegetables is 2½ per cent., and the fish canners feel they are being discriminated against. This matter will be discussed at the Winnipeg Economic Conference.

CHILDREN'S WEEK IN LIBRARY.
Commencing today, Children's Week will be observed throughout Canada and the United States, the various public libraries co-operating. At the local library, an interesting collection has been arranged by Miss Estelle Vaughan, cheif librarian, showing many ancient relics of the printers' art relating to children's books. One of the most interesting is a small book, with a wooden cover, printed in the United States between 1785 and 1790. Another interesting one was printed more than 100 years ago and gives a music lesson. The case in which these books are on view is in the centre of the lobby.
