**BIG SALVAGE MONEY.**  
\$112,500 Divided Among Crew of U. S. Tug.

New York, May 11.—Word was re- ceived in the offices of the Newtown Creek Towing Company at Pier 5, East River, that the tank steamer Delmira, which their tug Victory salvaged off the Florida coast, has been ordered sold by the United States District Court, and as a consequence the crew of the Victory will receive half of the \$225,000 for which the Delmira was libelled.

In the sale of the Delmira the third event which supports the claim made during the war that this tanker is too lucky to be destroyed, occurs. The res- cue of the tanker by the tugboat took place February 15 this year, when the tanker was forty miles south of Sand Key, Florida, bound from Palo Blanca, Mexico, to Carteret, N. J., with 80,000 barrels of crude oil aboard.

When the Victory came alongside the tanker had been adrift for more than a day, the fire having broken out in the coal bunkers, and was confined there through the strenuous work of the crew. The captain and crew of twenty-six men and the captain's wife and small child had been taken off by the steam- ship J. O'Neill before the tug reached the Delmira.

**PARLOR CONCERT.**
