**How to Destroy The Dandruff Germ**

BY A SPECIALIST

That the dandruff germ is responsible for nearly all the diseases to which the scalp is heir, as well as for baldness and premature gray hair, is a well known fact, but when we realize that it is also indirectly responsible for many of the worst cases of catarrh and consumption, we appreciate the importance of any agent that will destroy its power. We are, therefore, particularly pleased to give herewith the prescription which an eminent scientist states he has found, after repeated tests, to completely destroy the dandruff germ in from one to three applications. It will also almost immediately stop falling hair and it has in numerous cases produced a new hair-growth after years of baldness. This prescription can be made up at home, or any druggist will put it up for you: 6 ounces Bay Rum, 2 ounces Lavender de Compose, one-half drachm Menthol Crystals. Mix thoroughly, and after standing half an hour it is ready for use. Apply night and morning, rubbing into the scalp with the finger-tips. If you wish it perfumed, add 1 drachm of your favorite perfume. While this preparation is not a dye it is unequalled for restoring gray hair to its original color.

Giving Details  
Maud—Kitty married a man a good deal older than she, so I hear.  
Marie—Older! Why he's twice her real age and three times the age she says she is.

He Still Had a Chance.  
Mr. Pintopp—They say that men of brains live long.  
Miss Keen—Well, don't be discouraged, Mr. Pintopp, all rules have their exceptions, you know.

**RECENT DEATHS**

Charlottetown, P. E. I., Aug. 22—

Robert E. Longworth, aged 62, a prom-

inent farmer and stock breeder, died

yesterday in the hospital from injuries

received by falling off a load of hay the

previous evening.

Rexton, N. B., Aug. 25—The death

occurred at her home here this morning

of Margaret Porteous, widow of John

Kennedy, after a long illness at the age

of eighty years and four months. De-

ceased lady was much respected and is

survived by three sons and one daugh-

ter. The sons are John, James and Robert

and the daughter Miss Jessie.

Mrs. Mina Young, wife of Dr. Young,

of Oak Bay, Charlotte county, died yester-

day afternoon. Besides her husband,

Mrs. Young is survived by one brother,

L. Johnson, a prominent lumberman of

Vancouver. The funeral will be held on

Wednesday afternoon.

**Discolor or Spotty Skin Easily Pealed Off**

The freckling, discoloring or roughening to

which most skins are subject at this

season, may readily be gotten rid of, Mer-

face being rubbed with the face

before retiring and removed in the morn-

ing with soap and water, completely free-

ing the disfigured skin. Get an ounce of

the wax at any druggist. There's no more

effective way of banishing tan, freckles or

other cutaneous defects. Little skin par-

ties come off each day, so the process

doesn't even temporarily mar the com-

plexion, and one soon acquires a brand

new, spotless, girlishly beautiful face.

Wrinkles caused by weather, worry or

illness, are best treated by a simple ap-

plication of powdered azoicite, 1 oz. dissolved

in 2 pint witch hazel. Bathing the face

in this produces a truly marvelous trans-

formation.

**SO SAYS EMINENT SPECIALIST**

So-called stomach troubles, such as in-

digestion, wind, stomach-ache, and in-

ability to retain food, are in probably

nine cases out of ten simply evidence

that fermentation is taking place in the

food contents of the stomach causing

the formation of gas and acids. Wind

distends the stomach, and causes that

full, oppressive feeling sometimes known

as heartburn, while the acid irritates and

inflames the delicate lining of the stom-

ach. The trouble lies entirely in the fer-

menting food. Such fermentation is un-

natural, but may involve most serious

consequences if not corrected. To stop

or prevent fermentation of the food con-

tents of the stomach and to neutralize

the acid, and render it bland and harm-

less, a teaspoonful of bisulphate of mag-

nesia, probably the best and most effec-

tive corrector of acid stomach known

should be taken in a quarter of a glass of
