High class polishing and upholstery—A. Martin, Phone W. 39, 1885-4-14

The Royal Arms chapter of the I. O. D. E. met yesterday afternoon at the residence of the regent, Mrs. R. W. Wigmore, West St. John, with a large number of members present. Three new members were received. The chapter voted the sum of \$15 to the Inter-Provincial Home for Young Women at Moncton. As a means of replenishing the chapter funds each member gave a donation of \$3 as an Easter offering. At the close of the business session a social hour was enjoyed and Mrs. Wigmore served refreshments.

WEAR-EVER
Replace Utensils Hotter than ever—
"Wear-Ever"
As all good housewives know, to preserve flavor and tenderness, it is necessary to fry meat slowly. A "Wear-Ever" fry pan is better than any—in fact, is ideal—for this purpose. Once the pan is heated through, the heat can be reduced, and the minimum will serve to fry slowly your lifetime. Ask for the genuine "Wear-Ever."

Had Your "Roughage" to-day?

A high medical authority claims that eighty per cent. of all human ailments comes from undigested food that lies in the colon. To keep the bowels active food must contain some "roughage," such as bran, spinach or lettuce. Bran is Nature's best colon-cleanser. Shredded Wheat contains all the BRAN of the whole wheat grain. Two Biscuits a day will insure natural bowel movement, at the same time furnishing the body with all the nutritive elements it needs. It is delicious for any meal with milk or cream, or with fruits.

Stewed raisins—delicious energizing, ironizing food. Practically predigested. Also a fine natural laxative. Make it regular and get the best results.

Stewed Raisins
Cover Sun-Maid Seedless Raisins with cold water and add a slice of lemon or orange. Place on fire, bring to a boil and allow to simmer for one hour. Sugar may be added but is not necessary, as Sun-Maid Seedless Raisins contain 75 per cent natural fruit sugar.

We'll Back Vicks Against Any Cold In St. John

We will back a jar of Vicks Vapo-Rub against any cold in St. John and vicinity. Here's our liberal offer. Get a 50c. jar of Vicks at your drug-gists. Use all or part of it. If you are not delighted with the results mail the top of the carton to Vicks Chemical Co., 344 St. Paul street W., Montreal, and we will gladly refund the purchase price.

Mrs. H. Scoble of Peterson Road, Kitchener, Ont., writes: "I certainly like Vicks Vapo-Rub fine and can highly praise it for colds on the chest. I had quite a severe cold and used it every night for a week, after which time my cold was gone. I certainly can't praise it too highly."

Vicks is the external, direct treatment for all cold troubles—rubbed on—absorbed like a liniment—and, at the same time, inhaled as a vapor. We make the above offer because Vicks certainly does give quick relief in the majority of cases. At all drug stores, 50c. a jar. For a free test size package, write Vicks Chemical Co., 344 St. Paul St., W., Montreal, P. Q.

Though Vicks is new in Canada, it enjoys a remarkable sale. Over 17 million jars used yearly.

IN-HIS-NAME CIRCLE

A very successful year's work was reported on at the annual meeting of In-His-Name Circle of the King's Daughters held last night at the Guild with the president, Mrs. F. K. McArthur, in the chair. By acclamation the officers of the last year were re-elected. The list of officers is as follows: Honorary president, Mrs. George Dinehart; president, Mrs. F. K. McArthur; first vice-president, Mrs. R. C. Thomas; second vice-president, Mrs. T. B. Mullin; secretary, Mrs. Elmer Alexander; treasurer, Mrs. Bliss Smith. The committees appointed were as follows: Ways and means, Mrs. Herbert Crockett; convener with power to add hospital, Mrs. J. A. Needham; and Mrs. Frank Wry; house, Mrs. Guy Smith and Mrs. F. E. Thomas; spiritual, Mrs. F. K. McArthur and Mrs. T. B. Mullin. The reports presented were very gratifying. With an active membership of seventeen, the circle raised the sum of \$179.87 during the year, had expenditures totalling \$172.62 and the balance was \$7.25. The sum of \$8 was voted to the provincial convention.

RING HIDE UP

High time to get acquainted with the bed you sleep on

It may have cost a lot of money. A curled hair mattress, perhaps, and a box spring. But night after night, the two may be giving you less comfort than a new spring and mattress at one-fourth their price would provide. Mattresses wear out, break down, develop bumps and valleys so gradually that your body adapts itself to the increasing discomfort. Your sleep is lighter. You wake earlier. Brain and body suffer. And the reason remains hidden until you examine your bed.

The Ostermoor Mattress

Set aside enough time today to call on your furniture dealer and examine the Ostermoor Mattress at \$30—for thirty years the greatest mattress value to be had in Canada. Compare its sleep-inviting luxury with the mattress you are now using, and decide for yourself whether health, energy and personal success are not worth the investment in Ostermoor sleep comfort.

Study the whole range of Simmons Mattresses, springs and beds, now offered at prices to suit any pocketbook. Simmons Red Label, Green Label, White Label mattresses cost less; each is built of sanitary new materials, and is highest possible quality at its price.

Look for the Simmons Label. Beware of imitations
