Head Master's Report. Rev. Dr. W. R. Hibbard, head master, in his report for 1924, said: "My annual reports for several years past have largely taken the form of the progress of the undertaking which has already made much to the school and which will affect so largely its influence and usefulness in the future; I mean the erection of our memorial building. I would ask your indulgence if once again I take this opportunity of placing before you certain facts regarding this project. The building, as you know, is now finished. When we opened the term

For SURE relief from constipation be sure you get ALL BRAN—Kellogg's!

If you suffer from constipation, you cannot afford to lose time experimenting. The power which accumulates while you try ineffective measures can undermine your health. If eaten regularly, Kellogg's Bran is guaranteed to relieve permanently the most chronic cases of constipation, or your grocer will return your money. It brings you SURE results because it is ALL Bran. Nothing but ALL Bran can be wholly effective. Doctors know this! That is why Kellogg's Bran, cooked and krumbled, is endorsed and prescribed by physicians everywhere. It will bring back your health to you. So be sure you get Kellogg's Bran, cooked and krumbled. You can tell Kellogg's Bran with your eyes closed—once you had tasted that delicious, nut-like flavor. Kellogg's

Bran is quite different from ordinary unpalatable bran. The wonderful flavor of Kellogg's is exclusive. You will like it. Eat at least two tablespoonsful daily—in chronic cases, that much with every meal. Eat it with milk or cream. Sprinkle it over other cereals. Cook it with hot cereals. Try it in the recipes which are given on the package—such as bran bread, muffins, griddle cakes, etc. But start eating Kellogg's Bran today. Have each member of your family eat it. Enjoy that perfect health which should be yours. Kellogg's Bran, cooked and krumbled, is sold by all grocers. It is served in individual packages by the leading hotels and clubs. Get it at your restaurant, too! Made in Toronto, Canada.

increased our accommodation. The prospects, in spite of the hard times, seem fairly bright and we have already a good many entries for next year. The results in both the McGill and King's matriculation taken last June were excellent and several exceptionally high averages were made. This year we have 18 boys completing the Dalhousie matriculation and nine boys taking the first part of the McGill matriculation. The results will not be known until late in the year. Last year at the annual inspection our cadet corps won first place in the province, and this year we are leading by a substantial margin all the corps which have so far been inspected.

Rifle Shooting. In the Imperial Challenge Shield competition we came second in the Dominion. In 1921 we came first and in 1922, and came second in 1923. This year we won the Magee cup offered to the corps obtaining first place in the province, and for the fifth time in succession we won the provincial championship in the Dominion marksmen's competition. In the first year that I remember when we have not won at least one championship, yet our teams in all the games made a very creditable showing. Adverse criticism of it and many have been unsolicited in their praise. I feel that we owe deep gratitude both to the architect, Mr. de Lancey Robinson, and to the contractor, Mr. Joseph Henderson. Both of these gentlemen took far more than just a commercial interest in the building, and both of them spared no efforts to make it as beautiful, and at the same time as serviceable as possible.

Former Graduates. With regard to boys who have left the school and have gone to various universities, it is rather hard to follow their careers in many instances, as they are scattered all over the world. Some have gone so far afield; still any complete summary of their achievements would be impossible, but I may mention those who know. This year there were six of our "old boys" who graduated from McGill, four in medicine and two in applied sciences. Of these graduating in medicine, E. Trites deserves special mention. Some years ago he won an entrance scholarship at McGill. Two years ago I was very happy to report that he was having taken honors in all subjects but one in his third year. This year he finished his third year with honors in all subjects and came first in his class. At the University of New Brunswick there were, I think, three of our "old boys" who graduated this year. Of these J. D. B. Harrison led his class in forestry.

Another distinction very worthy of mention which has come to us through our "old boys" is that of E. J. Pinder who has obtained a place on the Blesley team. In the past two years Pinder won the highest distinction for shooting given in the school—the Donville cup.

Change of Masters. In conclusion I tender my very sincere thanks to all the members of the staff for their able and loyal support. I regret very much that G. R. Rydman, who has been in the school for many years, has decided to leave the school to complete his course at Queen's University. Mr. Rydman has been a master during the last five years, and during this time he was unswerving in his efforts to promote the welfare of the boys and of the school generally. I think his time here was a marked influence for good. We shall miss him greatly, but I hope very much that he will eventually return to us. F. E. Eakin is also leaving us in order to complete his course in Divinity at Kings College. Mr. Edsforth is an "old boy" who, after graduating from King's College, came to us as a master two years ago. His loss also will be much felt. H. J. Best, one of our "old boys" who graduated two years ago from King's College, and J. J. Alexander, also a graduate of King's College, who has had considerable experience in teaching, are coming to us next term to fill these vacancies.

To the boys, and especially to the school monitors, I would express my very sincere appreciation of their co-operation in all that I have tried to do for their welfare.

DEATHS

Patrick Hennessey. Newcastle, June 16.—The death took place at 7 o'clock Monday evening of Patrick Hennessey, aged 80 years, after an illness of eight weeks. Mr. Hennessey was born in St. Leonard, Wexford, Ireland, March 8, 1835, a son of the late Michael Hennessey and Mary Hayes. In 1868 he came to Canada, and settled at Beaulieu Island, in the Miramichi. He later moved to Rosebank, N. B., where he worked as a ship's carpenter for 15 years, subsequently locating in Newcastle, and opening a general store. His wife, Miss Catherine Bannan, died six years ago. He is survived by four daughters and one son. The daughters are: Rev. George A. Titus.

George A. Titus. George A. Titus passed away at his residence in Titusville on Monday after an illness of two weeks. He was 72 years old and an active life member of the Baptist church. He was widely known and highly regarded and had been successful as a farmer and a wheelwright. He is survived by his wife, nine sons, one daughter, two brothers and one sister. The sons are: Alton G. of Perry's Point; Isaac K. of Apohaqui; Wentworth L. of Titusville; Horace L. of Clifford A. and Stanley Q. of St. John; LeRoy C. of Dedham, Mass.; Wesley G. of Bloomfield; and Emory A. at home. The daughter is Mrs. F. E. Reid, of Southfield, Kings county, N. B. The brothers are Charles and John, of Titusville and the sister is Mrs. Elizabeth Titus, of Titusville.

Mrs. Catherine Dick. One of the oldest residents of St. John, Catherine, widow of John Dick, died at her home, 115 Meeklenburg street, yesterday after a short illness. Mrs. Dick was born in Mascarene and was 94 years of age. She was remarkably alert and had an exceptionally retentive memory up to within a short time of her death and could recall many interesting events in the early days of the province. She is survived by two daughters, Mrs. R. S. Knox and Miss Ella Dick, and two sons, Oswald and George, all of St. John. The funeral will take place on Wednesday afternoon at 2:30 from her late residence.

last September we were able to use the dining room, and before the end of this term the whole building was completed and handed over to us. The formal opening took place just before the boys left for the Christmas holidays. Then was a very notable occasion, and although it occurred at a rather inconvenient time, I was glad that so many "Old Boys" were able to be present. That the building equals, or even surpasses our expectations, I am confident. Certainly I have heard no financial. So far all is pleasing and encouraging, but there is one matter which is constantly on my mind and which is a cause of deep anxiety. Last year

I spoke of the difficulty there would be in financing the project unless we could raise in the way of subscriptions at least \$20,000. At the present a little less than \$17,000 has been subscribed and about \$15,000 paid in. We are still short of our objective. When I consider what other institutions, institutions no larger than ours with no more money or wealthier clientele, have raised for purposes of this kind, I am indeed disappointed that this project which is generally conceded to be so worthy a one, has not received greater support.

In saying this I do not wish to be misunderstood. I am most grateful to the many kind friends and supporters of the school who have given subscriptions, many of them very generous ones. I am most grateful also to so many of the "Old Boys" who at considerable sacrifice have paid in, and some of them still paying in, monthly subscriptions. It is indeed when I consider what some have done in this way that I realize how easy it would have been to raise far more than the objective if the response had been more general.

I may be pardoned for dwelling at some length on this matter when it is remembered that I have duty to face the financing of the school. Compared with nearly all schools of similar nature and equipment our fees are most moderate, barely enough indeed to pay the ordinary running expenses. Now I have to face heavy interest charges as well. It is my earnest hope that before another year has elapsed we may have reached at least our objective of \$20,000.

Before leaving this subject I would like to offer my very sincere thanks to the ladies connected with the school who have worked so hard to raise funds to furnish the chapel, and to the many friends, chiefly ladies, who have helped them. This fund has grown far beyond what I had anticipated. I thought it would take years to furnish the chapel but it is half done already, and though the end is not yet quite in sight, I feel confident that it will not be very long before it is.

90 Boys at School. With respect to the school year which is about to close, I would mention some of the more important events and results: There were in all 90 boys in the school of whom 87 were in residence. The opening of our new building considerably enlarged our capacity, so now we have room for more than 100 boys. I hope that next term we may have an increase in numbers and eventually all the school to capacity, as it was for several years before we

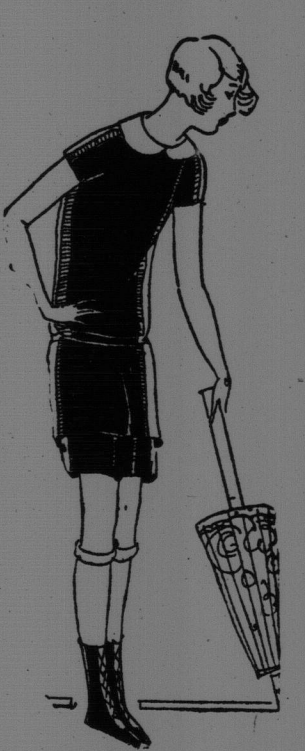

Summertime Fashions In Sports Attire

Midsummer merry makings are held on short notice, so it's very important that you have plenty of the right kind of clothes on hand when the telephone bids you to an impromptu dance, a jolly luncheon or any of the many occasions that go to make a pleasant summer. Our stocks are ready to take care of your apparel needs. Here you'll find exactly the things you'll like best for the various summertime events.

Frocks In Midsummer Modes

Colors Are Cool. Plaids Important.

Colorful crepes and ratines are showing in plaids and pretty speckled effects as well as solid colors. Some of the newest ones are sleeveless, but for those who prefer something different there are plenty of newest modes with short or long sleeves. Many beautiful colors and evident among them: Coral, pink, tan, orchid, flame, lettuce green and others. Gingham and Voile Frocks are also showing a popular demand and may be found here in wide variety. You'll be pleased to find such moderate prices for frocks of decided charm.

Jaunty Flannel Suits

To Wear Now, or in the Fall.

Some are made with blouse and skirt combined; others are with skirt and separate jacket. A combination of white skirt with bright green jacket is undeniably smart. However this is only one of several bright contrasts. These suits have all the little touches to mark them fashion-right.

Sport Hats, Coats, Scarfs, Luggage, Hosiery, Neckwear and many other wanted accessories are now ready for the selection of Summertime vacationists. (Costume Department, 2nd floor.)

Manchester Robertson Allison Limited KING STREET GERMAIN STREET MARKET SQUARE

A Woolen Bathing Suit

For a Cooling Dip

Like as not you'll find yourself in a party of swimmers this summer and want to join them in a comfortable Bathing Suit from our stocks. You'll find some lovely ones here now, made from fine woollens and in a nice assortment of colors. One clever Black and White suit has a cape to match.

Bathing Caps and Beach Bags are in latest varieties here.

Sweaters and Knickers

Women who enjoy the great outdoors will appreciate such garments as these: WOOLLEN SWEATERS, different enough to delight the most exacting woman. Some are plain, some plaided, some in rainbow colors and others in fancy mixtures. There are plain and brushed woollens and a large variety from which to choose. Sleeveless Sweaters in fine woollens or silk and wool mixtures are also very new and lovely to wear with summer blouses.

Khaki Gabardine Knickers are here too and will be found excellent for hiking over rough roads.

APPOINTED NURSE. Plans for the Lady Byng summer camp at Riverside are progressing well. Members of the Rothersey Red Cross were at work yesterday decorating the camp. A St. John firm generously donated several gallons of paint for the decoration of the cottages and a color scheme of black, bright blue and yellow has been selected to give a cheerful appearance to the rooms. Miss Mary Eason, R.N., who was the nurse at the Day Camp at Seaside Park last year, has been appointed nurse for this year's camp also.

The healthy look that DR. CALDWELL'S LAXATIVE SYRUP PEPSIN Gives is Nature's Own

Ladies! This Beats Cosmetics

GOOD health cannot be camouflaged by powder and rouge. The eyes will tell. That sparkle and clearness that denote good health will not be there if you are constipated. Miss H. Ridley, 110 Summerhill Ave., Toronto, writes that Dr. Caldwell's Laxative Syrup Pepsin has helped her very much and Mrs. Ingram, Box No. 26, Tyvan, Sask., says it does that no other medicine has ever done for her.

On Sale for 30 Years Intelligent women are realizing that health and mere outward complexion are two different things, and more and more are taking Dr. Caldwell's Laxative Syrup Pepsin. Over 10 million bottles were bought in drug stores last year, the largest selling liquid laxative in the world! Go to your druggist and buy a bottle. The cost is less than a cent a dose. You will see how much more effective a spoonful of Laxative Syrup Pepsin is than tablets, powders or pills, and without shock to the system.

Safe Family Laxative Use it regularly a day before and a day after the periods. The gentle emptying of the bowels will give you relief, and lessen headaches and congestion. Take a spoonful at bedtime and see how much better you feel in the morning. It is a vegetable compound of Egyptian senna and pepsin with agreeable aromatics, and entirely safe not only for you but for the youngest child. Keep a bottle of Dr. Caldwell's Laxative Syrup Pepsin constantly in the home for you or some other member of the family may need it any moment to relieve constipation, to break up fevers and colds, to clear up biliousness, indigestion, a pimples, a fever sore and other disturbances that show constipation.
