THE GREAT CAUSE OF HUMAN MISERY.

We have recently published a new edition of DR. CULVERWELL'S CELEBRATED ESSAY of the radical and permanent cure (without medicine) of Nervous Debillity, Mental and Physical Incapacity, impediments to Marriage, etc resulting from excesses.

The celebrated author in this admirately Essay elearly demonstrates, from thirty years successful practice, that alarming consequences may be rad nally cured, without the dangerous use of intercal medicine, or the application of the knife; pointing out a mode of cure at once simple, certain and effectnal, by means of which every sufferer, no matter what his condition may cure himself cheaply, privately and radically.

This Lecture should be in the every youth and man in the land.
