THE GREAT REMEDY FOR

CONSUMPTION,

and acknowledged by many prominent physicians to be far the most reliable Preparation ever introduced for the RELIEF and CURE of all

LUNG COMPLAINTS.

This well known remedy is offered to the public, sanctioned by the experience of over forty years, and when resorted to in season, seldom fails to effect a speedy cure of

Coughs, Colds, Croup, Bronchitis, Influenza, Whooping Cough, Hemorrhages, Palms or hemorrhages in the Chest and Side, Bleeding at the Lungs, Liver Complaints, &c.

The unequalled success that has attended the application of this medicine in all cases of

FULMONARY COMPLAINTS has induced many physicians of high standing to employ it in their practice, some of whom advise us of the fact over their own signatures. We have space only for the names of a few of these:

Dr. J. C. RACINE, Esq., From the place of evidence in our possession we select the following:

of La Moere, Montreal. "Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For some months I was much afflicted with a severe and obstinate cough, accompanied with acute pain in the chest, which did not leave me, either by rest or medicine. The symptoms increased daily, and so reduced me that I could not walk, and I was unable to perform my duties. After having used four bottles of Wistar's Balsam, I found myself gradually recovering, and in less than three days was entirely cured, and in less than a week I was able to resume my duties. I have used the Balsam in my family, and it has proved to be a most reliable remedy. I am sure that each Canadian who uses the Balsam will speak in the future of it as a household remedy, which has only to be tried to be acknowledged as the most reliable remedy for CONSUMPTION."
