ST. JOHN STAR.

ST. JOHN, N. B., SEPT. 28, 1908.

A CONTRAST.

Some years ago when Sir Leonard Tilley was a member of the federal cabinet, he was waited upon in St. leader to sever all connection with his John by a delegation of property owners, who urged the necessity of having den is in a quandary. He would like a dredge sent here to put the wharves to enjoy the support of the Montreal in better condition. It was found Star, but he realizes that between that the silt carried down river was himself and Mr. Graham there is a deposited around the wharves and little question of veracity still to be Eut the revolver, as he explained laeven the comparatively small vessels the owner of the Star. Consequently the owner of the Star. Consequently the owner of the Star to support Foscoming to port in those days were unable to safely dock. The delegates
asked Sir Leonard to have this deposit
removed in order that shipping might be carried on with greater convenience and with less risk. His reply to the delegates has become historical. He delegates has become historical. He absolutely refused to do as requested, ed a liar. He has stated over his own sailing for England. He was paid off at

velopment. Mr. George E. Foster, while on a Visit to St. John, was approached by a delegation of merchants and professional men who earnestly requested from the leader of the opposition, and there the matter rested. This was in the advertisement calling for ten- some fourteen or fifteen months ago, ders for the mail contract. It was in and since that time, Mr. Borden has the endeavor to bring the Canadian not received one word of praise from
