

LETTERS WRITTEN AT MIDNIGHT.
The stars are twinkling in the sky,
The winds are rustling and sighing,
And you will read this letter
Down by your window light,
The summer breeze is blowing still,
The dew is falling fast,
The golden sun has gone to rest,
And night has come at last.

TO MY MOTHER.
I have written this letter, mother,
I have written this letter, mother,

DANDALION COFFEE.
A Novelty! A Rarity! A Luxury!
The virtues of DANDALION COFFEE
are held in high estimation, but the difficulty
of obtaining it in all seasons of the year, has impeded
the sale of this valuable beverage.

THE HORSE.
In the opinion of the public,
the horse is the most useful animal
that man has ever known.
