

TABLE A.

HALIFAX.—Comparison of Tide Tables with Tides as observed.

Tide Tables based upon five years of tidal record; 1851, 1852, 1860, 1861 and 1896;
compared with tides as recorded by tide gauge.

Date. 1898.	Day of week.	HIGH WATER.		LOW WATER.		MOON.
		Time in Tables.	Variation from actual time.	Time in Tables.	Variation from actual time.	
		H. M.	Minutes.	H. M.	Minutes.	
July 18	M.	8 00	2 early.	2 04	14 late.	New Moon.
