Re: File No.:G 425-A152-1962 (Pers)
Div. File No. D.425A-296-1

Dear Sirs;

With reference to letter dated May 23, 1962, I am now finished my education and would like to reactivate my application for acceptance into the Royal Canadian Mounted Police.

I am still physically fit and sound of mind. Over the years, I have of course practised the fine traditions of the Mounted Police. I don't smoke, don't drink and never chase the women.

Please reply by return as to an expected starting date and what the pay is. Thank you for waiting patiently all these years.

Yours truly,

James C. Campbell
