#### Important Gold Discoveries in Australia.

The Melbourne correspondent of the London Times records the revival in Australia, He writes:—"I do not remember any period since the year 1852 in which there was so great a general interest felt in the colony on the subject of the gold fields.

The extraordinary success of the United Extended Band of Hope company at Ballahas been found in the deep leads of what some men call the pre-Adamite rivers, and the supplies for the future extraordinary depths are confidently expected to exceed the largest surface specimens of 'Old Ballarag' and Mount Alexander. The deposits lately discovered in quartz reef are scarcely less remarkable. Far beyond the

what Caused the Mischief?
When Mr. Dodge, the ce'ebrated eoclesiastical physician, was lecturing through the States on the law of health, and especially on the evils of tea and coffee, he happened to meet one morning at the breakfast table, a son of Erin, Conversation turned on the doctor's favourite subject as follows:

"Perhaps you think I would be unable to convince you of the deleteriousness of tea and coffee?" I don't know said Erin, but I would like to be there when you do it.

"Well." sai ithe doctor, "if I convince you that they are injurious to your health will you abstain from their use?" "Sure and I will, sir." "How often doctor. "Morning and night, sir." "Well." said the doctor. "Morning ind night, sir." "Well." said the doctor, "if do; indeed I do." "And a sharp pain.through the temples, in and above the eyes, in the morning?" "Indeed I do, sir.' "Well," as a variety of resources, will be acquired by said the doctor, with an assurance and confidence in his manner, "that is coffee and tea." "Is it indeed? Faith and I always thought it was the whisker". The

## Brutal Murder in Huron.

On Wednesday evening last a carpenter named Angus McCurdy engaged with others A few nights since, a young male friend of ours, who from a sneering sceptic had be come a devout believer, retired to rest after county of Huron. When it became too until after midnight. Some words passed between Wooley and McCurdy. From the There was no answer, and the queer noise evidence it appears the murderer left Swift's The excitement created in the neighborhood

Embalming a Live Man. A miraculous escape from the borrors of tavern about two o'cleck on Thursday actually being buried alive has just taken 'Anybody there?'

No answer.

'It must have been a spirit, he said to from the bough of a beech tree a stout cudfrom the bough of a beech tree a stout cudfrom disease of the heart, and to every outgel, armed with which he lay in wait for his intended victim. McCurdy shortly afterwards started for home, and had not certifying to the cause of death, and the proceeded far in the direction indicated by the movements of the assassin before he was assailed and struck down. A servant says ed. Near and dear ones had shed tears over she heard the blows for nearly an hour, and the loss of one whom they supposed dead a voice, which she believed to be Woolsey's, saying, 'will you do that again?' At day-light the body of the murdered man was found in a fence corner, bruised into a horrible mass of jelly from the head to the hips.
The stick was found near the spot, and the ground for some distance dabbled with gore.

sary steps were taken, the coffin carefully closed up, and the body sent to an embalming establishment. Here the process of embalming was in due time entered upon: I Raps very loud in the direction of the door.

Shall I ever see you?

The raps then came from the outside of the door. He waited long for an answer to the door. He waited long for an answer to the door the door. He waited long for an answer to the door the door the door the door the door. He waited long for an answer to the door the door the door the door the door the door the door. He waited long for an answer to the door the door. He waited long for an answer to his last question, but none came. The print had goes, and after thinking about the extraordinary visit he turned over and fell asleep.

On getting up in the morning he found that the spirit of his mother had carried off his watch and purse, his pants, and his great coat down stairs in the hall.

Ties of the terrible affair. Dr. McDougall artery of the arm. The incision with a lancet is in the same manner as in the case tigation of which led to the apprehension of which led to the apprehension of wooley, who now hes in Goderich jail, to await the verdict of the jury, which will probably be rendered this afternoon. We believe McCurdy has a wife and family of three children. Wooley is an English and McCurdy was an Irish Protestant, and in a few minutes more there was a slight neither had attended the Orange demonstration at Goderich.—Signal. and, with assistance, did rise up and speak. Gentle restoratives were administered and he desired to know how it was that he found himself in a coffin clothed in a shroud. The A disturbance occurred in our streets on Saturday night, about ten o'clock, between a party of whites and some coloured people. It first commenced at the jail corner. As is a fair way of recovering. This is, indeed, a miraculous escape from the clutches of

per day for six consecutive days.

The body of a Fisherman named Mark . Washington, June 26 .- It is positively about three weeks.

On Monday night, says the St. Catharines Journal, some person entered a pasture field of Mr. B. F. Reynolds, on the Pelham road, and stole therefrom a horse.

Emigration to the States.

With the return of peace there is every indication that the volume of immigration will be very large during the next four or five months. The 'Irish Times' of a recent date says: We believe that, when peace omes between the belligerents, the emigration to America which has hitherto taken it was place compared with what will certainly enne, will be as the leakage of a weir to the opening of a sluice. There is not a city, own, or hamlet in Ireland in which a large proportion of the able bodied population is ot determined to emigrate the moment peace is restored. The Cork Examiner states that a crowd of many hundreds daily pesieges the office of the Inman line of steamers at Queenstown, clamorous for pas-sage tickets or detention tickets—the tter entitling the holder to subsistence until such time as a steamer for their conveyance to America is provided. 'Here,' that paper

consequence the saddest lesson the emigration movement can teach is to be learned. The fact, which only a minute's inspection company roared with laughter and the doctor arrangements concluded between the two ton, a private watchman in this city, makes too palpable, is this; that from Don-quietly retired.
