## "ALL RIGHT KING" SAID ATTENDANT AT NIAGARA

WHEN TAKING KING OF BELGIANS THROUGH CAVE OF WIND

(Special to The Record)

NIAGARA FALLS, N.Y., Oct. 6.—The train bearing the King and Queen of Belgium, and Prince Leopold and their suite, arrived at Echota station punctually at 9:30 this morning and was escorted from a mile outside city by an airplane, piloted by an American aviator. On disembarking, the king was greeted by cheers from hundreds who crowded the small station.

Mrs. J. M. White, of Buffalo, rushed toward His Royal Highness thrusting forward her month-old baby, J. M. White, Jr. King Albert took the child in his arms and kissed the young American mid salves of cheers from the bystanders.

The party was received by acting Mayor Gillett, Councilmen George Jayson, Fred Mason, President of the Chamber of Commerce; State Reservation Commissioner Judge Clearwater, of Syracuse; Ainsley Wilcox, of Buffalo, and Robert H. Gittens of Niagara Falls, and A. J. Porter, Niagara Falls, an ex-commissioner. The reception committee was in charge of H. Gittens.

This is the royal party's play day and the King, who visited the Falls as a boy, insisted on showing the queen and prince sights that have lived in his memory. This resulted in the official program being changed in many respects to suit the wishes of his

## WHY U.F.O. OPPOSES MCBRIDE

BRANTFORD MAYOR MAKES EXPLANATION

(Special to The Record)

BRANTFORD, Oct. 6.—The United Farmers of South Brant will vote Grit or Tory as they mind, but there will be no affiliation with the Independent Labor party. Their support was offered the Independent Labor party in this riding providing that T. Maycock, a union moulder, was nominated. If Mayor McBride was nominated, however, this was refused.

Their reason for this action was not given out by them but Mayor McBride declares that the reason can be found in civic history. During the great fuel shortage of 1917, when there were hundreds of homes in this city without coal, when farmers were getting \$45 a cord for wood on the civic market, Mayor McBride, as local fuel controller, forbade farmers being given permits to secure coal, unless he first proved that he had no wood on his farm to burn. This caused a great uproar at the time, as the farmers protested strongly but the mayor held firm.

Later, when potatoes reached \$5.00 and \$6.00 a bag, the mayor imported potatoes from eastern and western Canada and placed them in local homes at \$1.85 a bag and during the past months he threatened to do the same again. Potatoes here took a big slump following this announcement and the U.F.O. statement followed.

Mayor McBride further answers the U.F.O. by declaring that not all farmers are of their opinion as all are not profiteers but if the farmers want a fight he had never yet run away from one and there are 500 workmen in the suburbs of Brantford, who vote in North Brant where the U.F.O. have a candidate.

It is definite now that both Brants will have a real fight. In South Brant, Mayor Harris and Mayor McBride, Liberal and Independent Labor party candidate respectively, withdrew their conditional acceptances, and are in the field to the finish. W. S. Brewster is the Conservative nominee and the third candidate.

In North Brant, the electors have the choice of four: U. O. Kendrick, Farmer-Liberal; H. C. Nixon, Farmer-U.F.O.; J. M. Patterson, Unionist Independent; and Franklin Smoke, Hearst-Conservative. All four are definitely determined to run.

## THE IND. LABOR CANDIDATE OPENS CAMPAIGN IN CITY

Mr. George Haehnel and others Present Party's Platform to Electors.

The campaign of the Independent Labor candidate in the city was set off to a start on Saturday evening when a public meeting was held in St. Mary's Hall on Young Street. The candidate, Mr. George Haehnel of Waterloo, and several other speakers fired the political shots.

The meeting started at about nine o'clock, which hour gave many a person who had been engaged in doing some shopping down street time to drop in for the address. The speaker, Mr. Haehnel, was large and the hall filled to capacity.

Mr. Charles Massel, president of the Independent Labor executive presided for the occasion. In opening the meeting he thanked the many attendants for coming out. He referred to the progress of the campaign so far and to the signs that the policy of the Independent Labor Party is being well received by a growing number of observers. He impressed the necessity, however, of organization and cooperation. He touched on the labor platform and impressed the plank of the province controlling its natural resources instead of allowing exploiting by private individuals to go on.

Mr. George Haehnel, the candidate, in his address impressed his determination to conduct a clean campaign and to refrain from personal attacks. His aim was to place the platform of the Independent Labor Party straight before the people and let them weigh and judge its merits as compared to other platforms. He alluded to the fact that

## SAM LANDERS HAS GRATUITY PROPOSED

WISHES ONTARIO TO GRANT SOLDIERS' GRATUITIES

(Special to The Record)

HAMILTON, Oct. 6.—An entirely new suggestion to relieve the financial strain in the federal government, and at the same time satisfy returned soldiers in the matter of additional gratuity, has been advanced here by Lieut. S. Landers, the soldiers' candidate for Provincial election in East Hamilton.

Landers proposes that the Ontario government augment the federal war bonus by paying an extra allowance to the men who enlisted in this province. He has secured data from across the border showing that many of the individual states have taken this action and awarded their veterans sums ranging from \$200 to \$400 and claims that the Ontario government is well adapted to follow their example. He has made this one of the planks in his platform.

## A VALUABLE CITY OFFICIAL CALLED

SANITARY INSPECTOR J. G. BUCHHAUPT PASSED AWAY

Served the City for a Quarter of a Century

Over the city hall to-day the flag droops at halfmast. One of the city's veteran servants has passed away. Sanitary Inspector J. G. Buchhaupt was called from this life at 12:30 o'clock this morning at his home on South Albert Street after an extended illness.

Mr. Buchhaupt had been ailing for about two years but during that period the affliction which finally overcame him had indications of passing and he being restored to his normal good health. Five weeks ago he was compelled to again refrain from his work and to remain at home. During the last three weeks he was confined to his bed and his condition gradually became more and more unfavorable. Saturday and Sunday turns for the worse came from which there was no rally and at 12:30 o'clock this morning he passed peacefully across the Great Divide.

Long Service to the City

By the death of Mr. Buchhaupt the city has lost an official whose services to the community were above the mediocre. For a quarter of a century he conscientiously and eager to help in the public good, performed those civic duties which centered in the city hall but which had their influence throughout the whole city. The school board of which he was at one time chairman, the municipal council, the water commission, the offices of assessor and sanitary inspector all were filled by him during the past twenty-five years. He had the assessorship for five years. Eight years ago he was appointed sanitary inspector. This office like all the other municipal posts he filled with satisfaction to the community. The officials of the city hall, those with whom he was associated in the performance of his duties and the individual citizens with whom he was in personal touch in looking after the needs of the poor and others in distress, to-day bear testimony to the worth of the deceased. A bereaved wife and family have lost a beloved husband and father. A city feels the loss of one of its pillars of citizenship. His memory will ever be green.

The late John George Buchhaupt was born in Hessen Darmstadt, Germany, sixty-six years ago. When only fifteen years of age he came to this country with relatives settling here immediately. He learned the trade of chair-maker in a furniture factory at Liswell. For years he was employed in the old Simpson factory on West King Street, which is now the Rieder block.

Subsequently Mr. Buchhaupt conducted a boot and shoe business operating the Montreal Shoe Store where the Weseloh Store now is. Later his place of business was on Frederick St. After retiring from business he devoted his attention to municipal and civic offices.

He was a valuable member of St. Peter's Lutheran Church. A coincidence in connection with Mr. Buchhaupt's death is that it occurred on the forty-fifth anniversary of his marriage.

His wife, Catherine Weber, survives him. There are also left to mourn his passing, two sons and one daughter, Harry and Fred of this city, and Marie at home.

The funeral will be held on Wednesday. The cortege will leave the residence at 2:30 o'clock for St. Peter's Church. Interment will follow in the East End Lutheran Cemetery.

## PARLIAMENT AT FAG END OF THE SESSION

OLEOMARGARINE DEBATE MAY PROVE INTERESTING

(Special to The Record)

OTTAWA, Oct. 6.—Unless some new legislation, such as a proposed enactment regarding prohibition for example, is brought down this week, the bill of fare in the house of commons for its closing period is a slight indication to the actual length of the session of parliament. The committees on soldiers' civil reestablishment and on the civil service act, will be sitting and the recommendations from these committees will be presented to the commons.

The order paper for to-day consists of only 17 pages, abnormally small for the last weeks of a session. And of these 17 pages, only 2 are taken up with Government business, which particularly at this stage is what really counts. There are 8 pages of questions but they can all be answered in a few moments if the Government is ready.

A debate on oleomargarine, of interest both to agriculturists and city people, is a likelihood of the week. The manufacture and importation of Oleo was permitted during the war. Now the government proposes to fix a definite date for the permission to extend until August 31, 1920.

The "Offering for Sale, the sale and the having in possession for sale" of oleomargarine is to be permitted until March 1, 1920.

There may be some interesting debates on motions proposed by private members, but the talk is not likely to be such as to find any expression, for the present at least, in new laws.

## ROSE OF WINNIPEG HAS COME EAST

MADE RECIPIENT OF LIBRARY FURNITURE

Mr. Rose has accepted a high position in the office of the comptroller of Canadian Railways in Toronto and left for the East to-day.

## BANK PRESIDENT COMES M. STEERAGE

REACHING QUEBEC SUNDAY MORNING

QUEBEC, Oct. 6.—The Canadian Pacific steamship Empress of France, formerly the Alsatian, arrived from Liverpool on Sunday morning, with 1785 passengers. Among the stowage passengers was an American bank president, hastening home to his wife's sickbed and unable to obtain saloon accommodation.

## ROLLO STRONG IN WEST HAMILTON

EAST HAMILTON IS BETTER FIGHTING GROUND

(Special to The Record)

HAMILTON, Oct. 6.—Though activities of the various political parties during the past week have somewhat cleared the rather complicated election situation which existed here. Some business still remains regarding East Hamilton riding and the movements of the Liberals. The probabilities are that the Grits will have candidates out in both the East and West end ridings before the end of the week but they

## LEADER KING BACK FROM PRINCE EDW. IS.

DISCUSSES POLITICAL MATTERS IN CANADA

Ottawa, Oct. 6.—Hon. W. A. Mackenzie King, leader of the Liberal party in Canada, is back in Ottawa this morning after a week spent in Prince Edward Island and especially in the county of Prince, where he is the Liberal candidate in the pending by-election. No opponent has been definitely placed as yet. Mr. King is enthusiastic about Prince Edward Island and about the people down by the sea. He motored up and down the county of Prince, which is 100 miles long and about an average of 30 miles wide. He addressed two public meetings, one at Summerside and the other at Alberton.

Mr. King this morning gave an unqualified denial to report which came from the west last week that he had made an arrangement so that Grain Growers' eastern would not be opposed by Liberals in the prairies and that the candidacy of Hon. W. R. Motherwell, in Assiniboia meant a protest and revolt against such an arrangement.

Mr. King declared emphatically that he had not tried to interfere in Assiniboia nor anywhere but that the local Liberals in all ridings were the judges in the field. Mr. King said the relations between himself and Mr. Motherwell were entirely cordial and that there had been no disagreement.

While at Prince Edward Island, Mr. King discussed his war record and directed he would welcome a contest on the issue. Such time as he did spend in the United States during the war, Mr. King said, was in answer to a special call to assist in bringing a

## COMMENT ON ENDING OF RAILWAY STRIKE

MAJORITY OF NEWSPAPERS EXPRESS SATISFACTION

LONDON, Oct. 6.—Newspapers express relief and satisfaction over the settlement of the railway strike. The majority of papers maintain that neither side is entitled to a claim victory but the Post says the strike was a disastrous failure and that the menace of the "triple alliance" is destroyed, while the Graphic says the government yielded too much.

The Labor Herald claims a great victory, saying the attempt of the government and capitalists to smash trade unionism and establish low wages, has been defeated and the Geddes brothers routed.

## REV. WM. IVENS NAMED CANDI- DATE MAYOR

## PETERBORO CASE IS INTERESTING

CONVENTION TO BE HELD TO-NIGHT

Peterboro, Oct. 6.—Interesting developments in the political situation are expected here tonight. At eight o'clock the Conservatives of the West riding of Peterboro will meet to nominate a candidate to oppose G.A. Gillespie, the present Liberal member. Simultaneously a mass meeting will be held in the opera house at which Premier Healey will speak in support of James Thompson, the Conservative candidate for the East riding and whoever may secure the nomination for the west. It is generally conceded that R.J. Soden, a local bookseller and defeated candidate at the last provincial election, will be the selection of the convention but there is likely to be considerable opposition to his name forward. Nevertheless his supporters are considered strong enough to carry the convention. A lively meeting is anticipated.
